The Annual Staff would like to express our sincere appreciation to Mr. Dick Thomas for providing some of the pictures used in the Annual.

Every year, upon the dedication of the yearbook, the Glacier Staff has the privilege to select one among many of the outstanding faculty members. This year we have chosen a man who seems to be reserved but dedicated to his profession. His loyalty and respect to everyone at W. H. S. is tremendous. He is always willing to help students when possible, whether it be concerned with school or otherwise. He will always be a friend to turn to when needed. Pride and honor certainly appear in the work of this man. We truly see the qualities that give this man the honor. Therefore, the Glacier Staff proudly dedicates the 1978 Glacier to

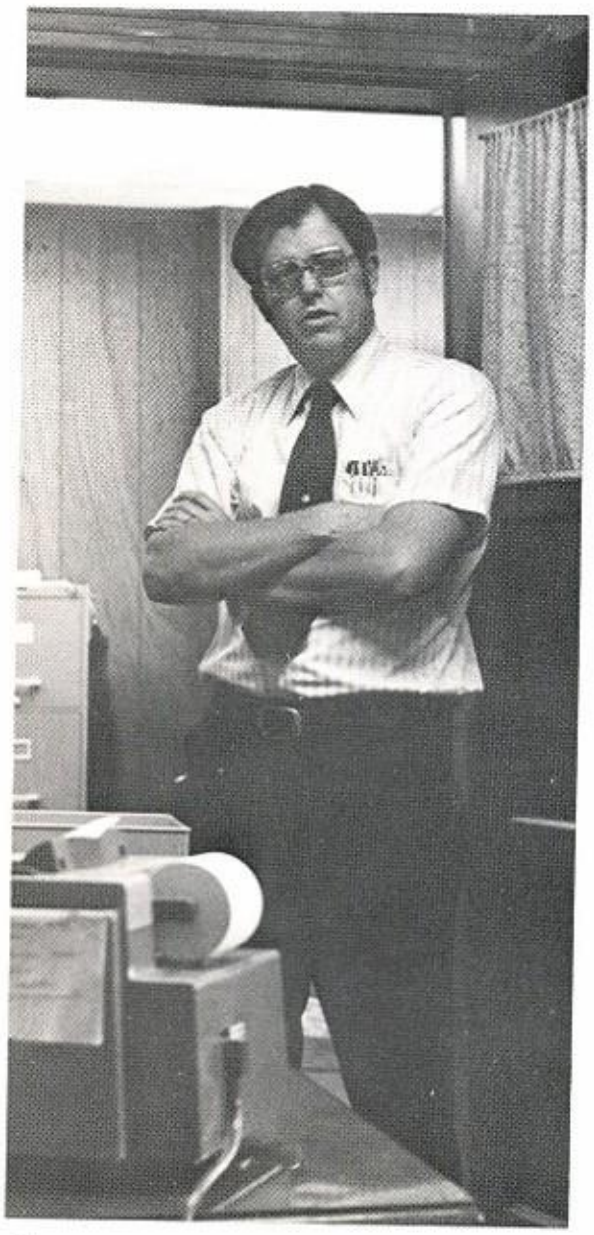
ADMINISTRATION

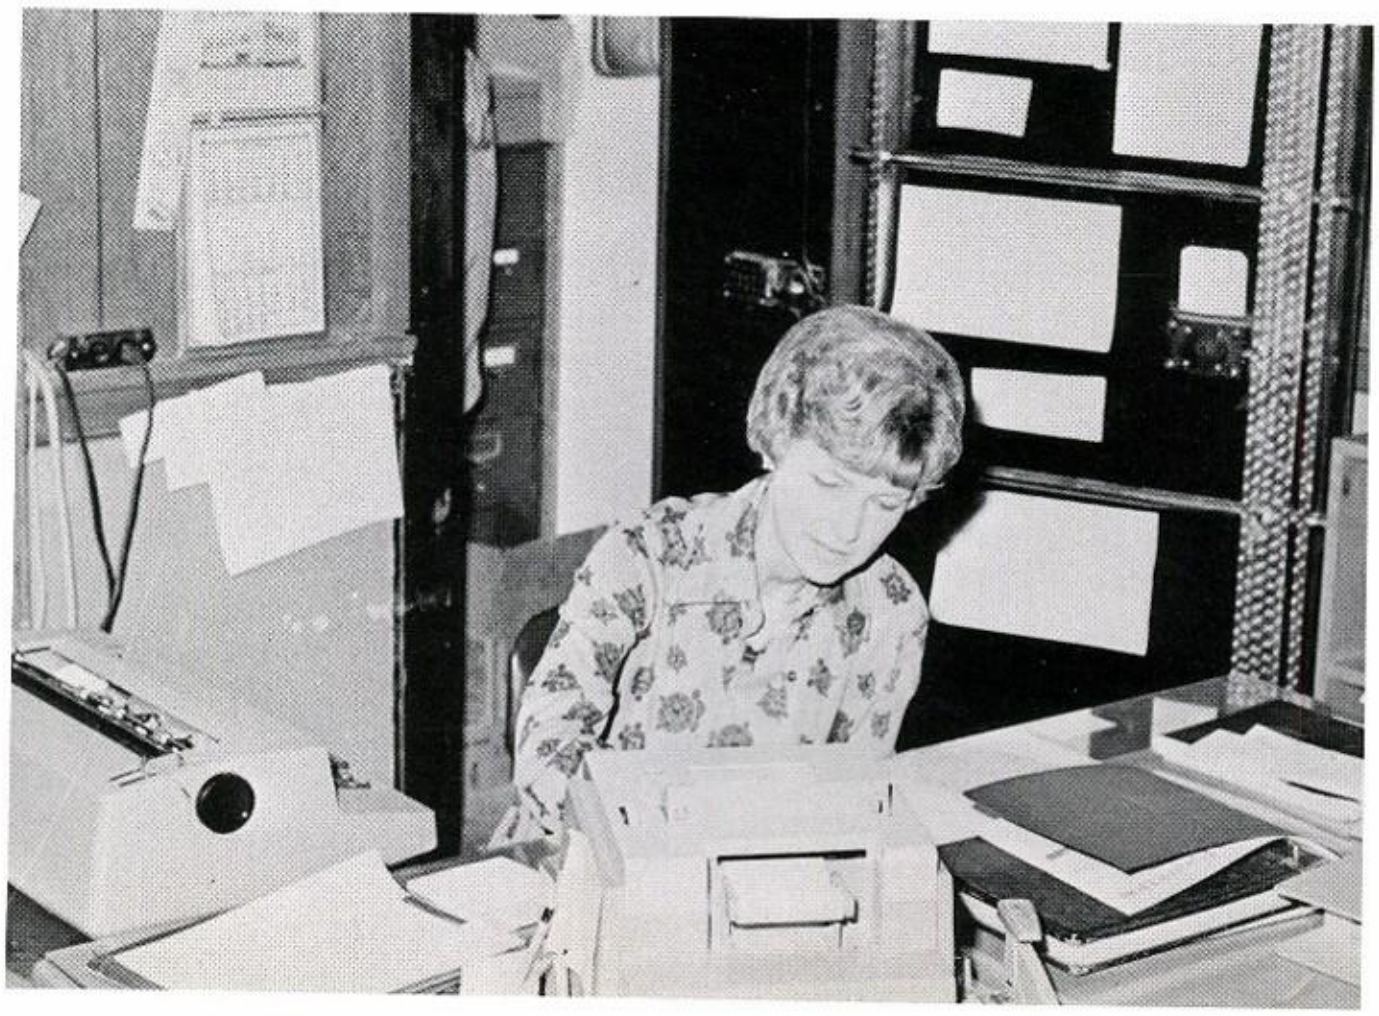
Three members fill the position of the administration staff at W. H. S. Mr. Graves, superintendent, serves as a prominent leader whose decisions greatly affect our school. Mr. Lancaster, principal, takes care of the needs of each and every student. Mrs. Poe, secretary to the principal, makes sure that all business is handled properly.

Mr. Graves

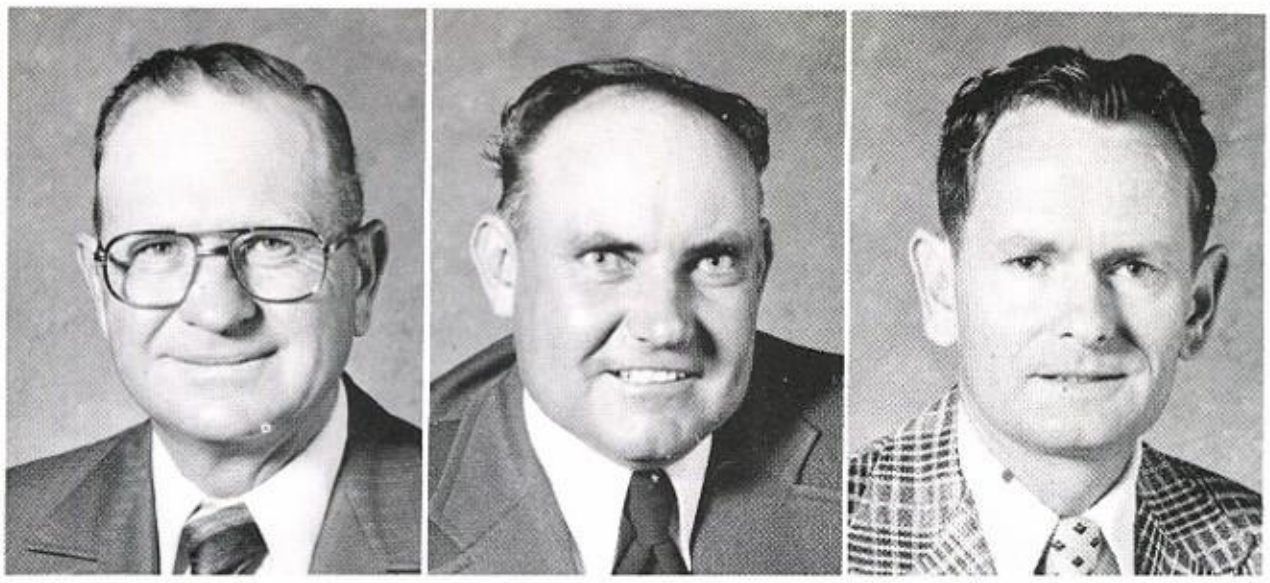
Mr. Lancaster

Mrs. Poe





SCHOOL BOARD



B. J. Colburn—President
Roscoe Morrison—Vice-President
Gene Wheat—Secretary

The school board is composed of seven members who are elected by the community. A great amount of their time is spent to help our school run smoothly. The planning of the school calendar and the care of the budget are only two of the important items on the agenda. W. H. S. is fortunate to have such dedicated members serving on the school board.

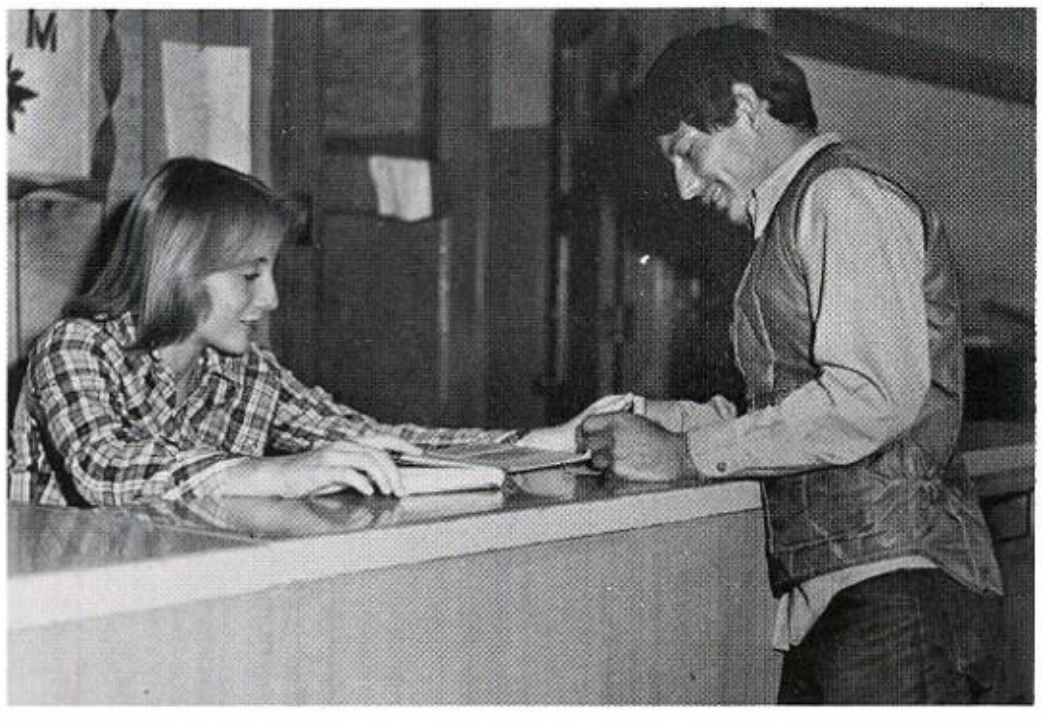
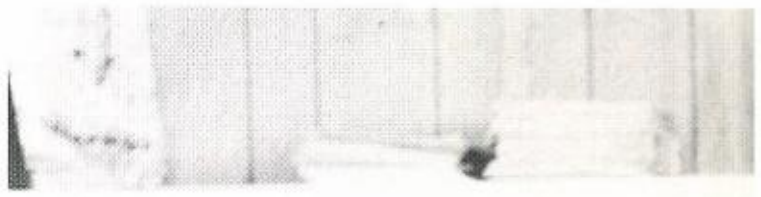
STAFF

Winters High School has to have one of the finest janitorial departments. Our maintenance men strive to keep our building safe and sanitary and a pleasant place to be. The lunchroom ladies prepare fine meals on a limited budget and the transportation help keep us supplied with transportation any time it is needed.

LIBRARY

The librarian needs to know the school curriculum and the interest of the students, so she will know what is needed and demanded from the library. She needs to know where to find quick information and information demanding longer research.





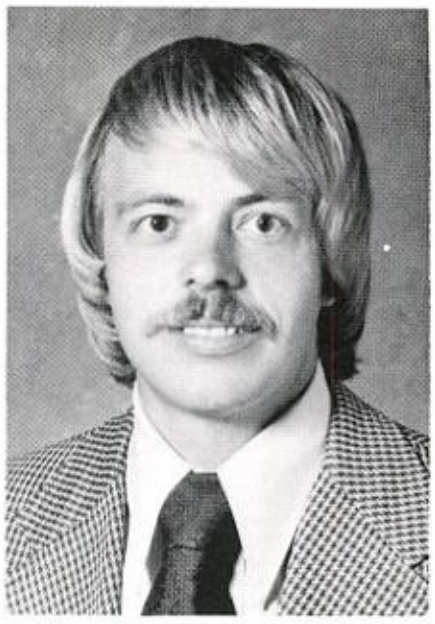
The Counselor is available to every student and provides an opportunity for individual help in making decisions about personal, vocational, and educational problems.

COUNSELORS

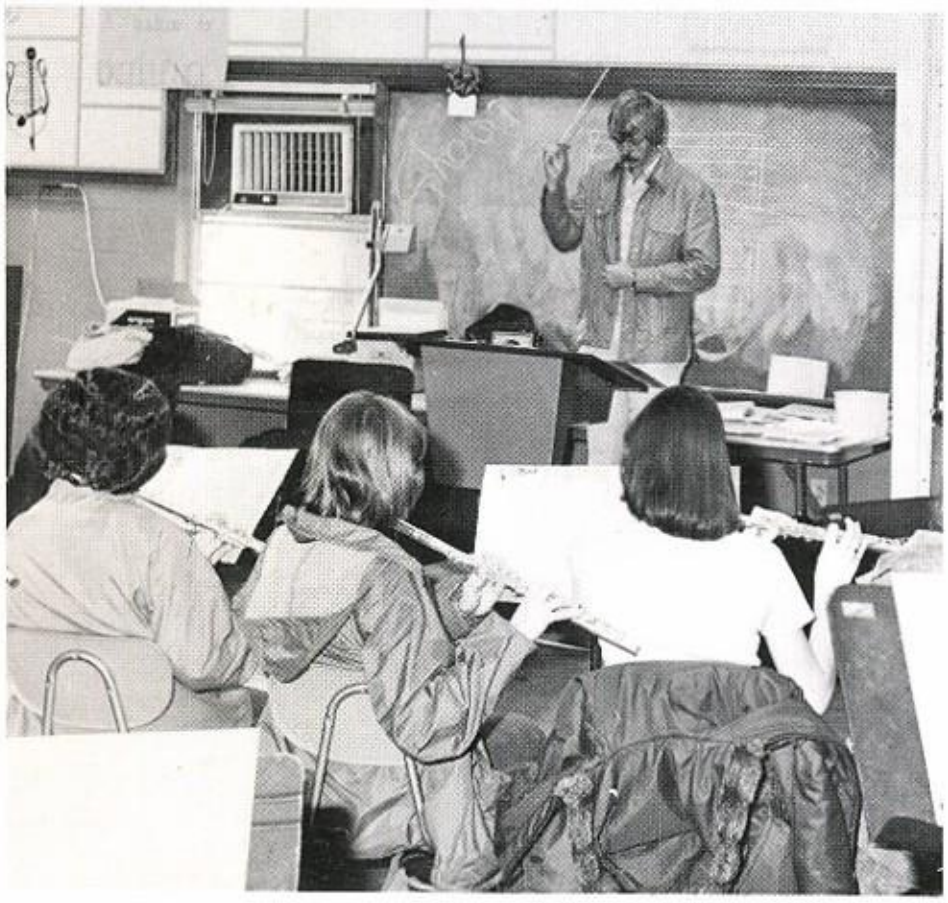
MUSIC DEPARTMENT

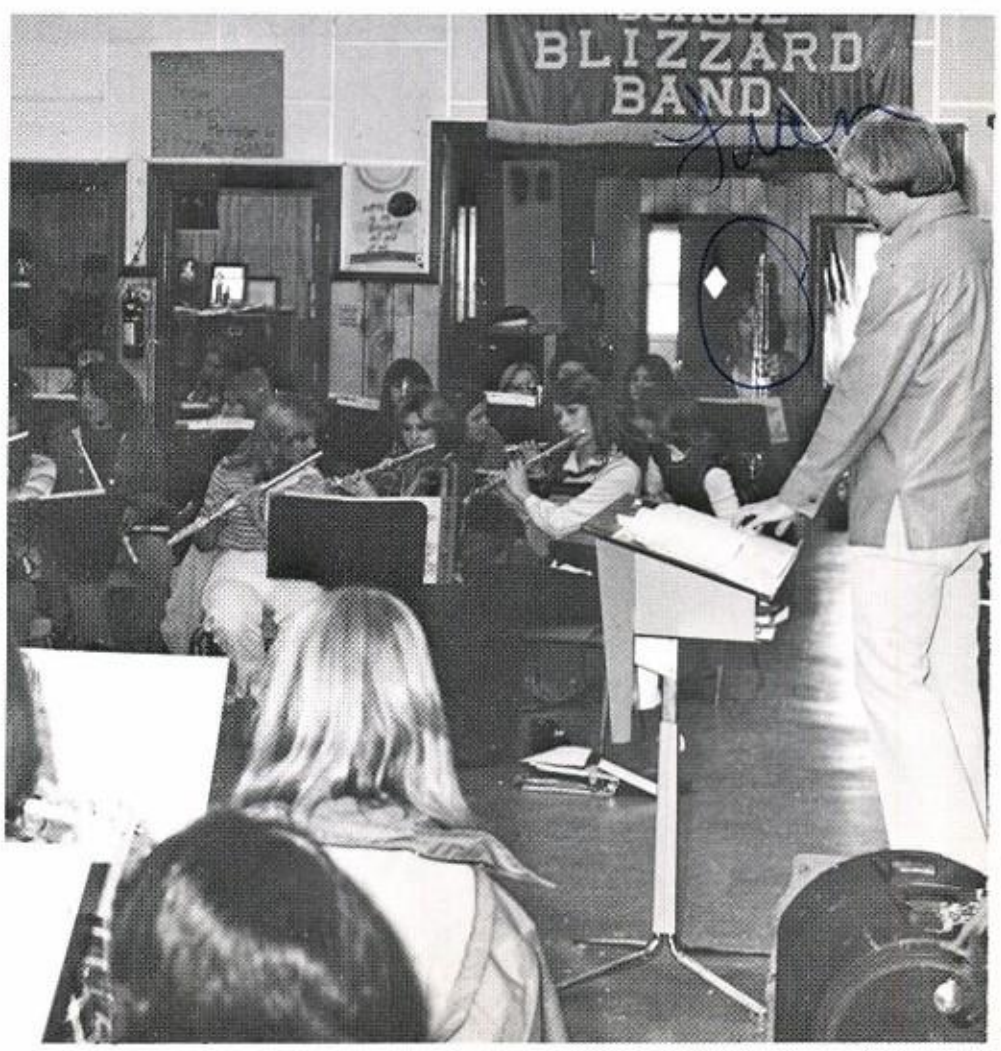
The Winters Blizzard Band is a highly recognized, award-winning organization in both marching and concert. The Blizzard Band is dedicated to the finest performance standards which it can attain. This organization has won many sweepstakes awards. Band festivals have named the Blizzard Band as an outstanding band, and they have been named 1st place winners in the West Texas Fair Parade many years in a row. This year the Blizzard Band was invited to march in the Sun Bowl Parade in El Paso, Texas.

The Blizzard Band—A unique organization with the Winning Tradition.



Mr. Ford



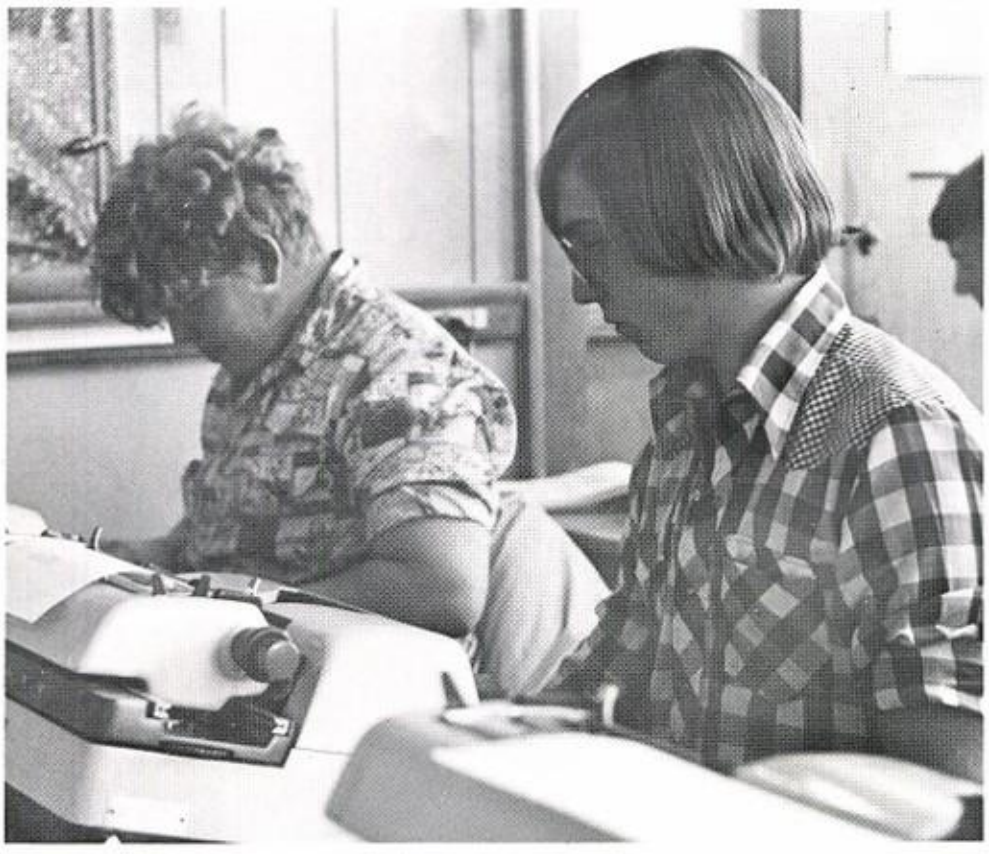


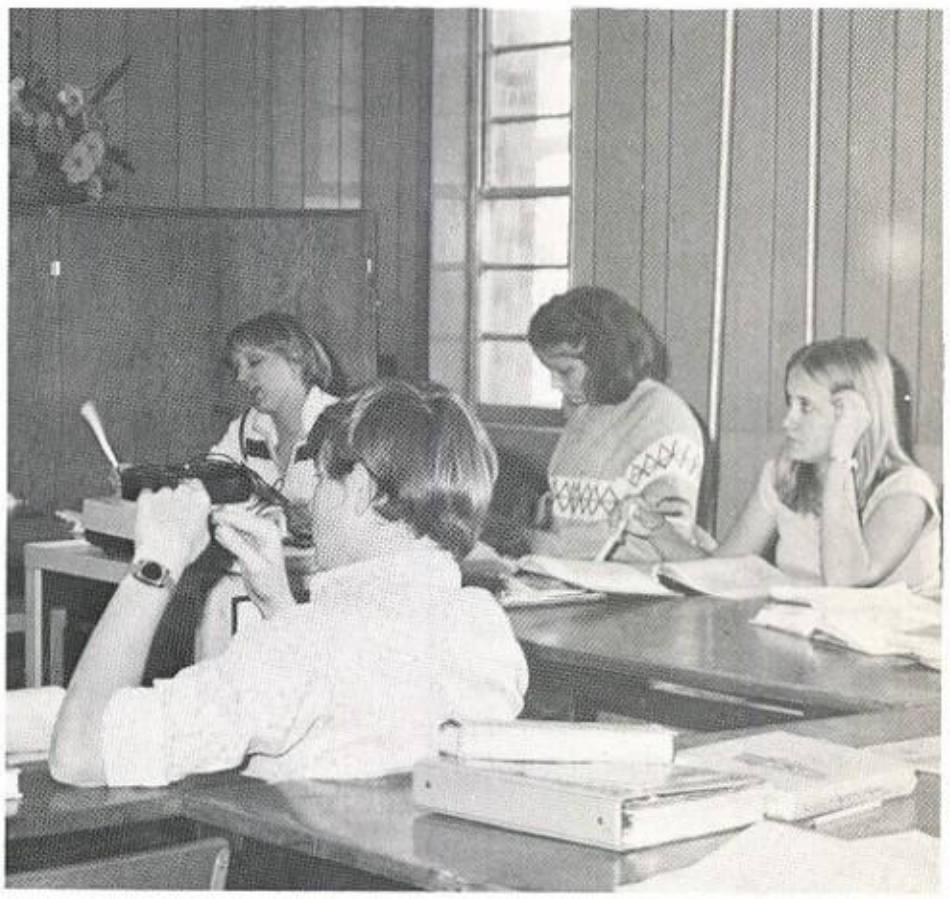
BUSINESS DEPARTMENT

Mrs. Bredemeyer

Mrs. Schwartz

The Business Department of Winters High School offers a variety of courses—general business, typing, shorthand, clerical practice, bookkeeping, and economics. These courses are designed to help the student make important business decisions in his everyday life or perhaps enter the world of work without additional business training. General business is a course open to freshmen and sophomores. Typing, economics, and bookkeeping are designed for both juniors and seniors. Clerical practice and shorthand are for seniors only.





LANGUAGE

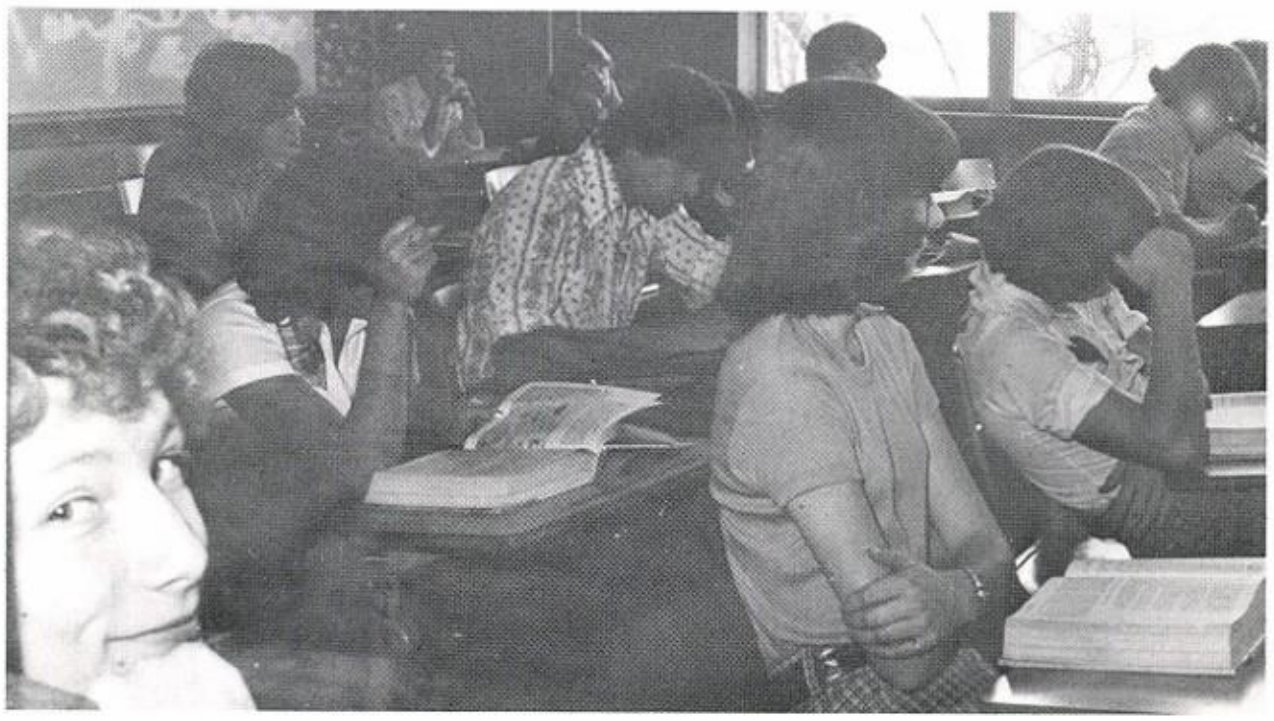
English courses provide a composite program of grammar and literature. Instruction is designed to enforce the basic language skills and performance. Literature study is designed to explore and appreciate literary, social, cultural, and moral customs and traditions. English also helps students learn to read with mature understanding.

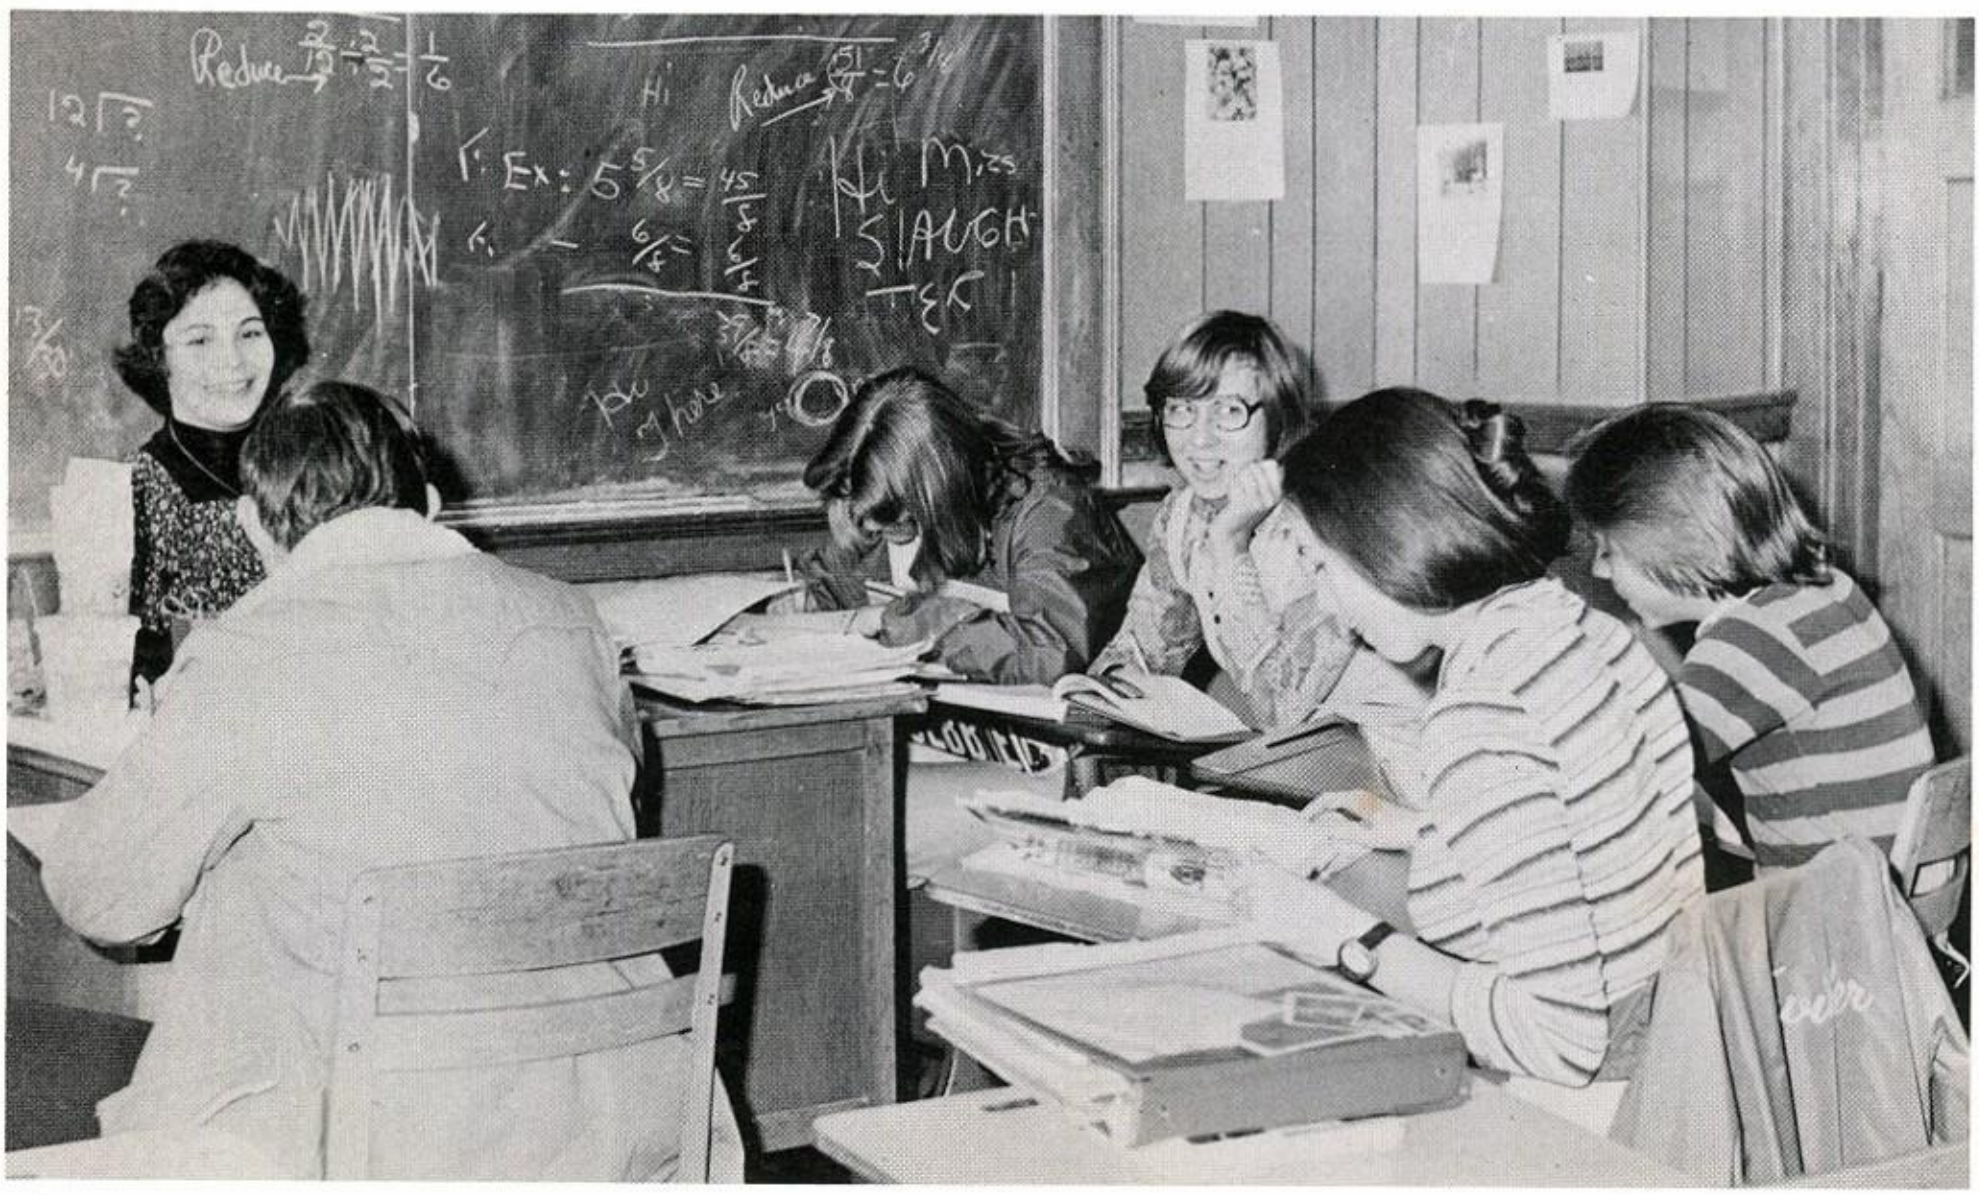
Speech is designed to guide students toward a better use of language both in writing and speaking.

Mrs. Bauer

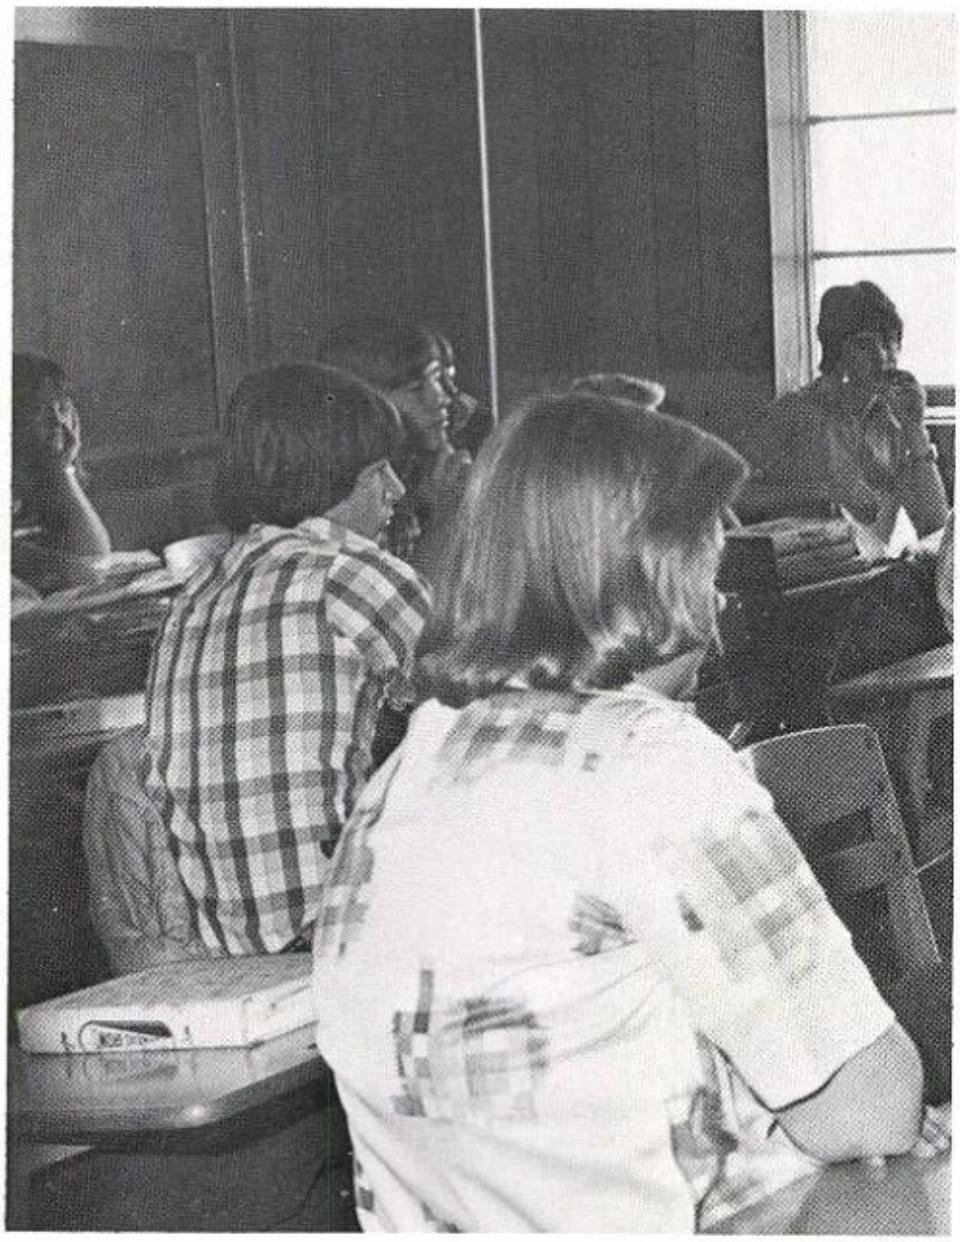
Miss Slaughter

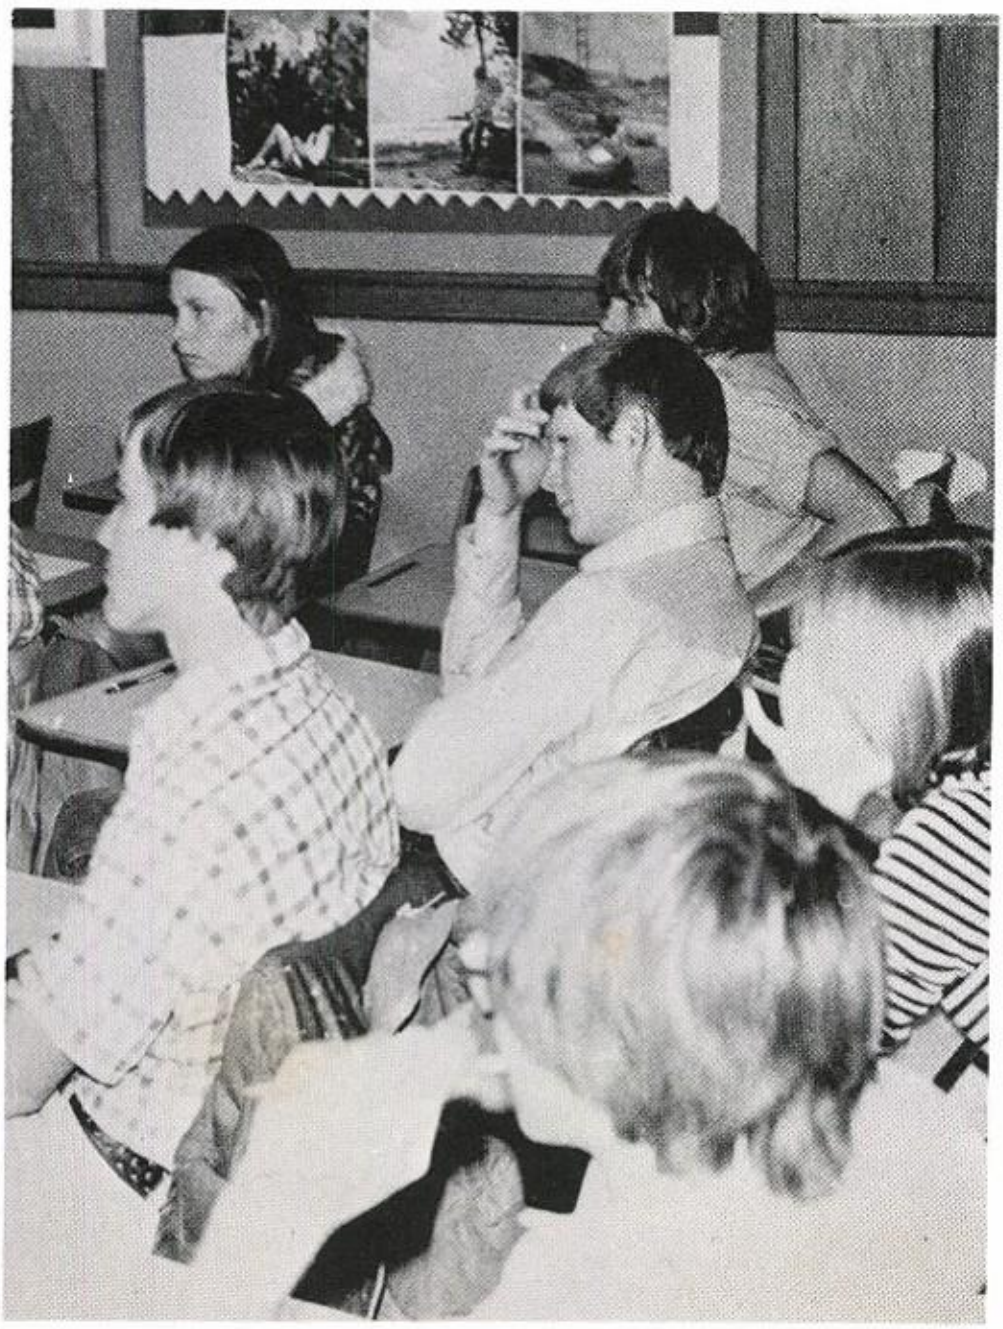
Mr. Key

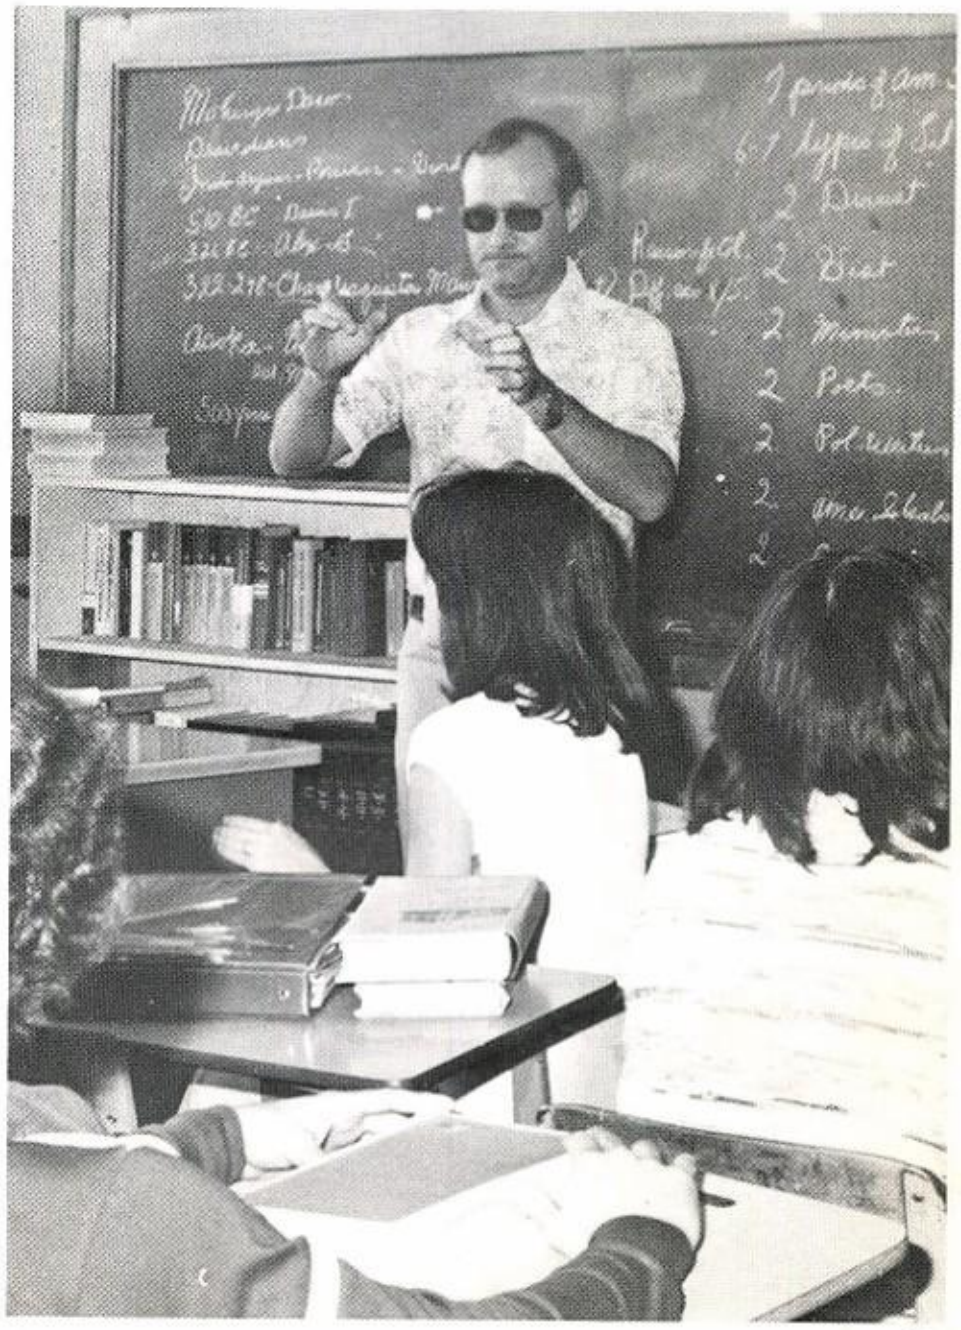




DEPARTMENT

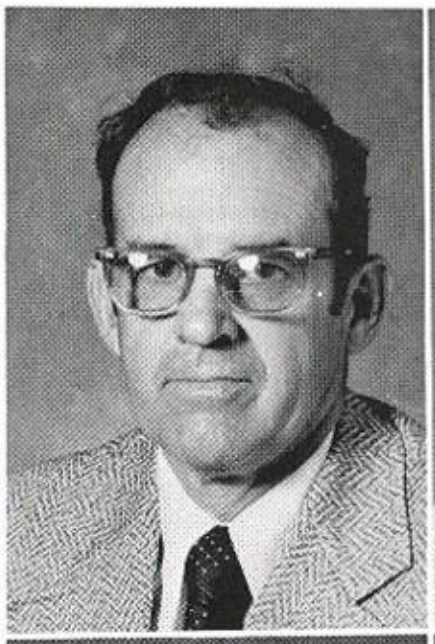




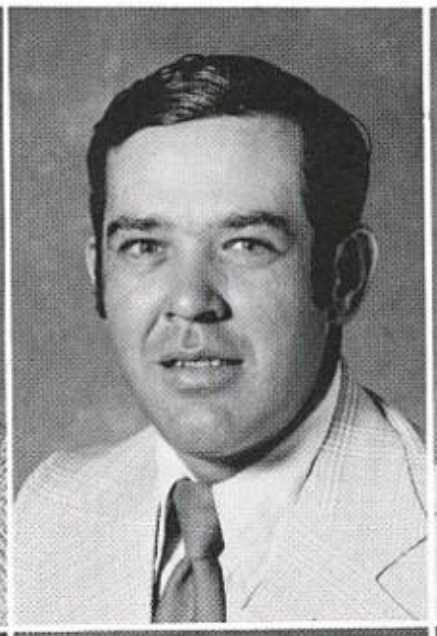


VOCATIONAL

The vocational department is a broad subject and offers many different skills. Vocational Ag. taught by Stanly Blackwell and Charles Allcorn is a basic leadership training as well as the standard agricultural type courses. Homemaking attempts to teach girls the basic facts about everyday household skills and Horte Joyce and Pat Hambright are well skilled and experienced in this field. Clifford Hill teaches shop courses which gives students a general skill in wood working. Vickie Harrison is in charge of all Distributive Education courses and on the job training. This course specializes in teaching students to find jobs and earn wages.

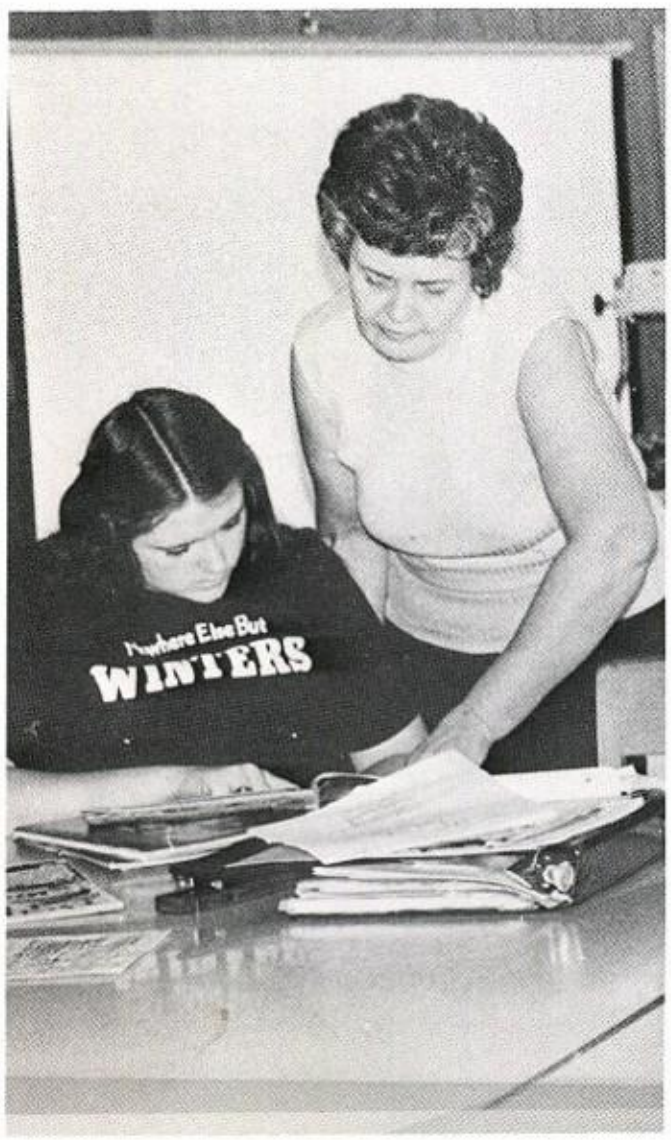


Mr. Blackwell
Mrs. Hambright

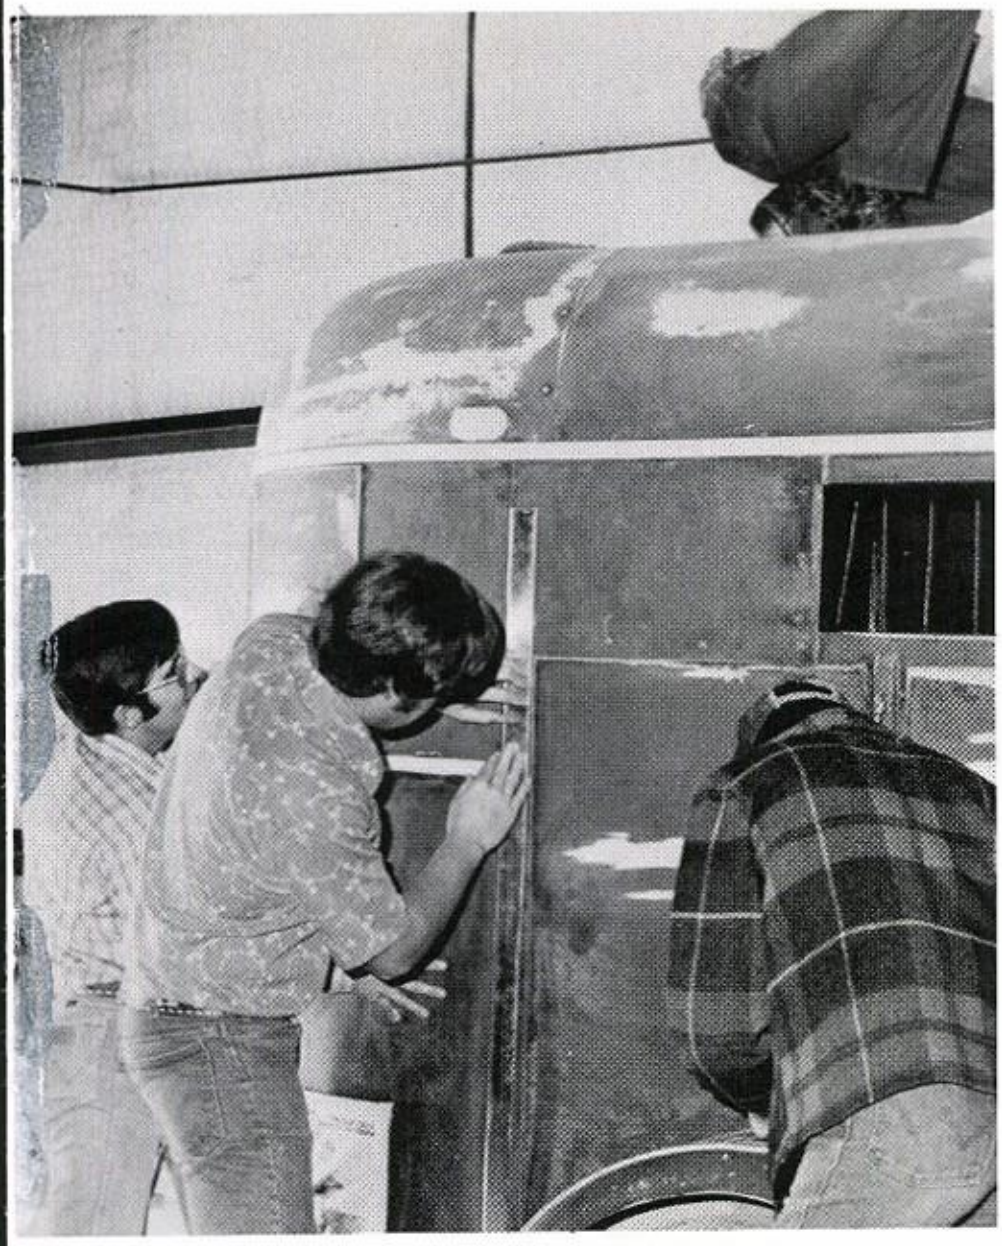


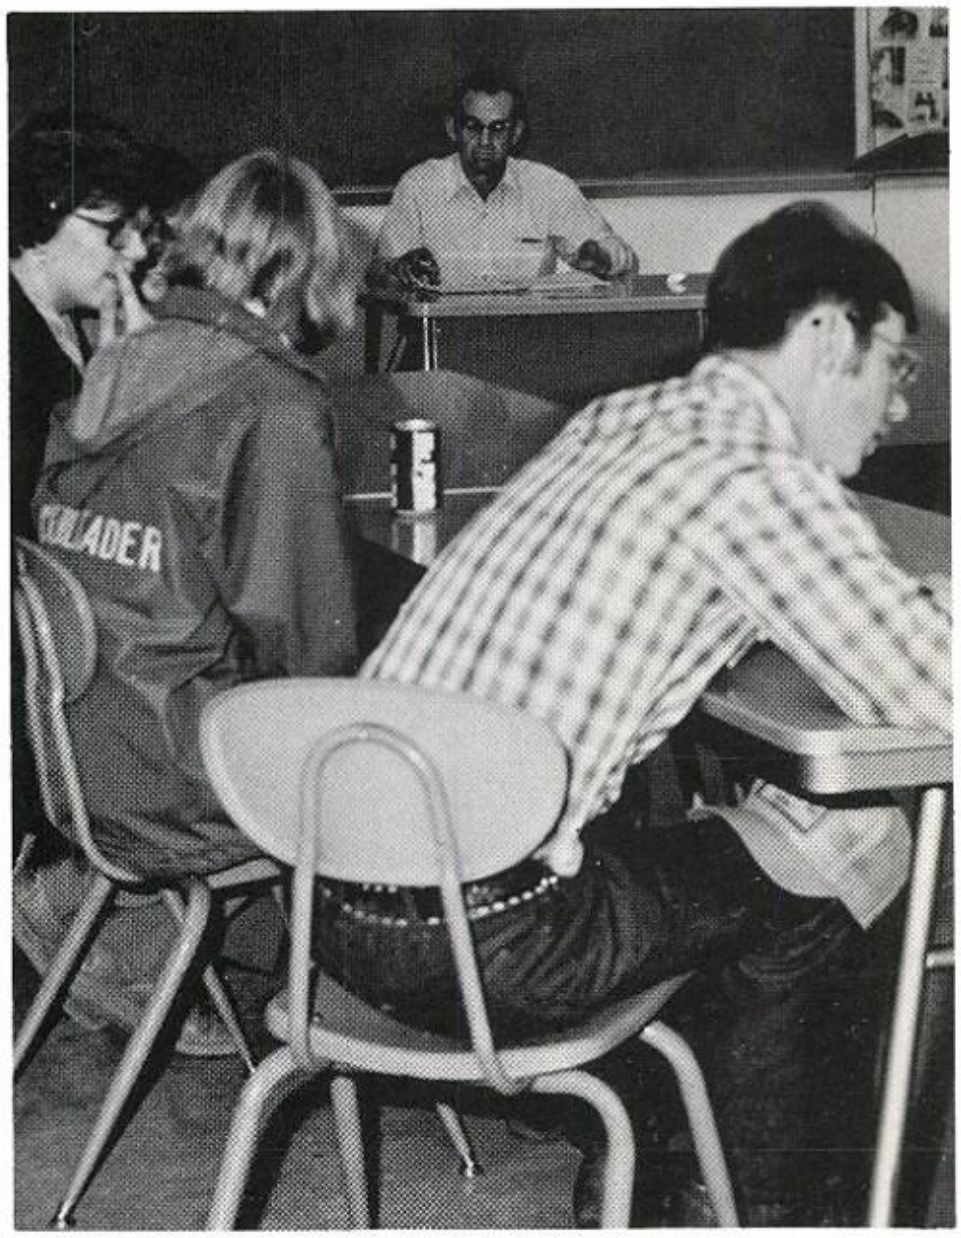
Mr. Allcorn
Mr. Hill

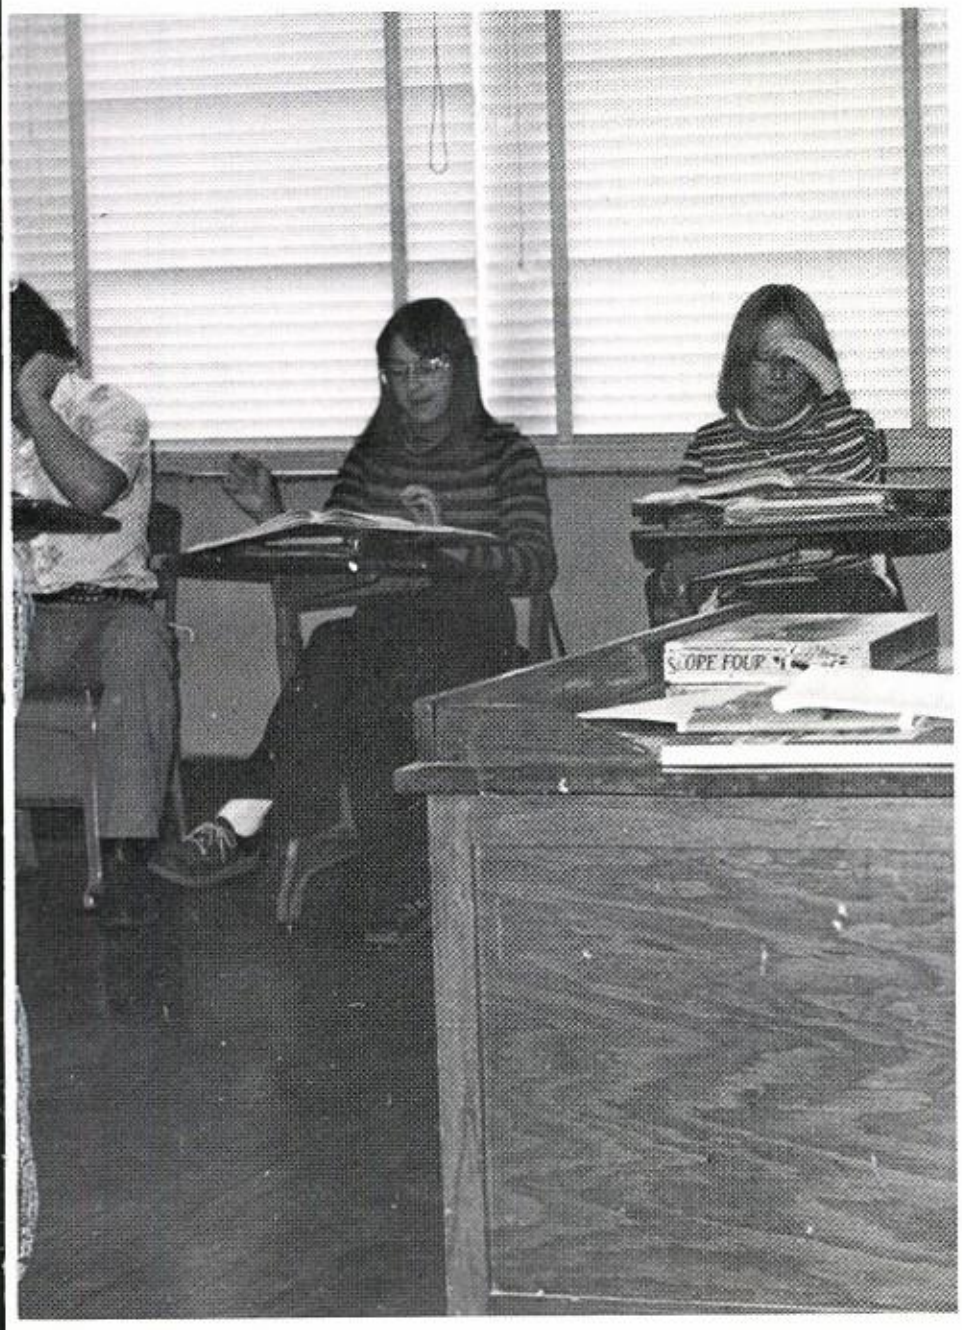
Mrs. Joyce
Mrs. Harrison

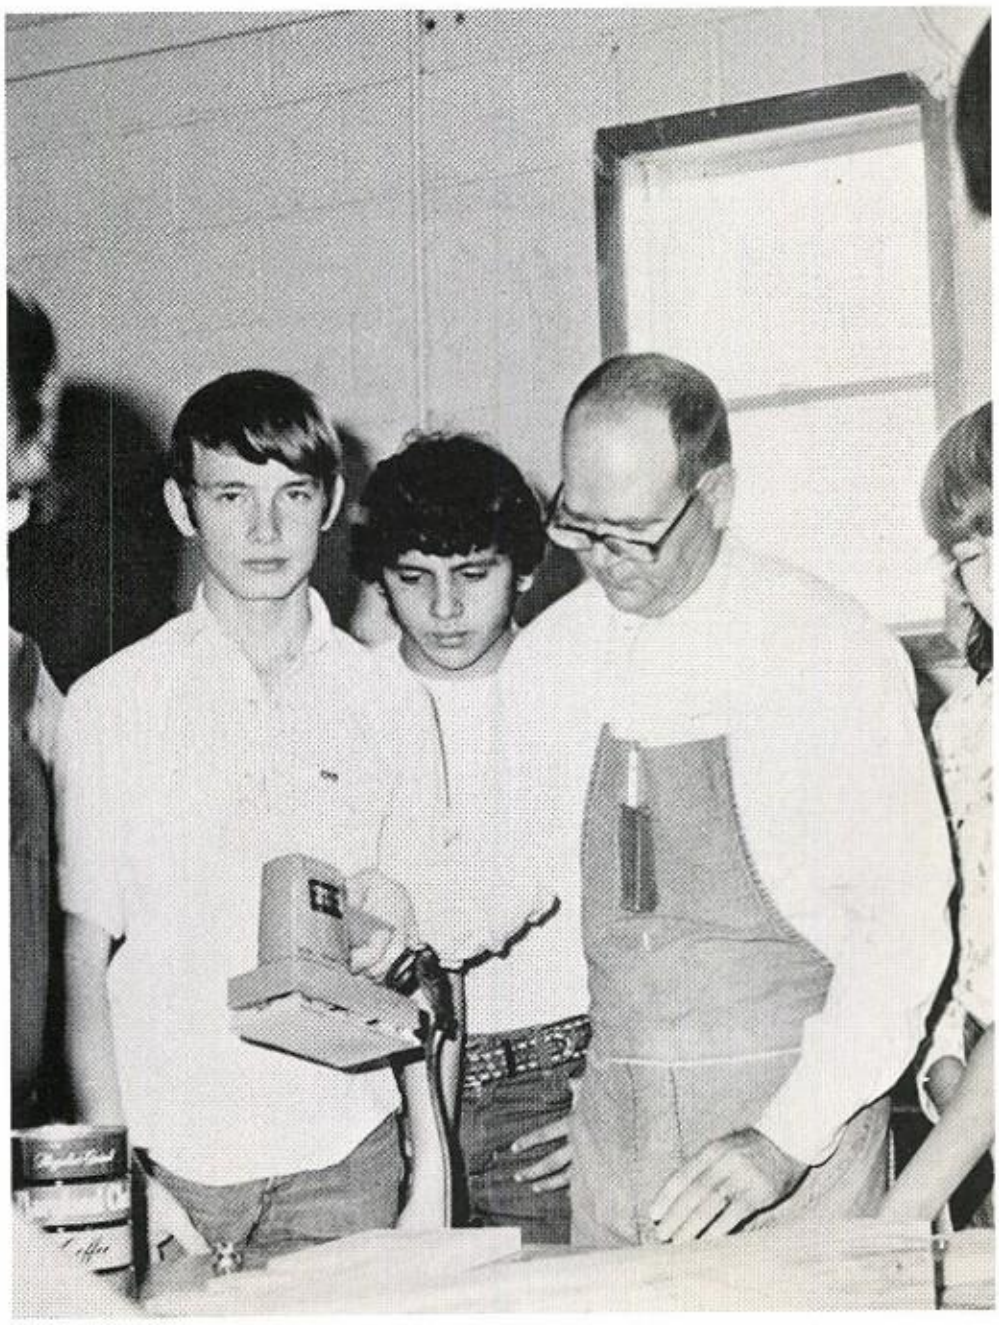


DEPARTMENT





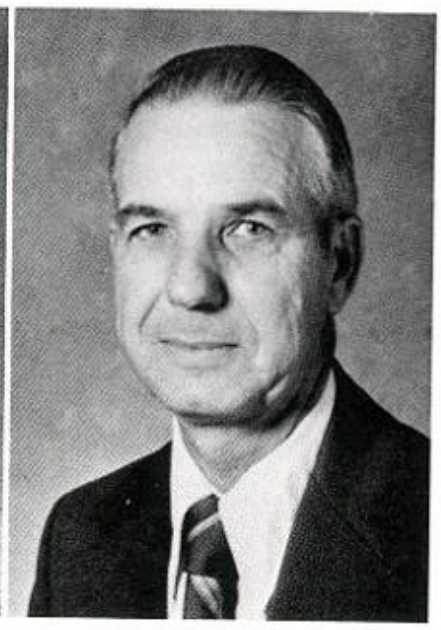




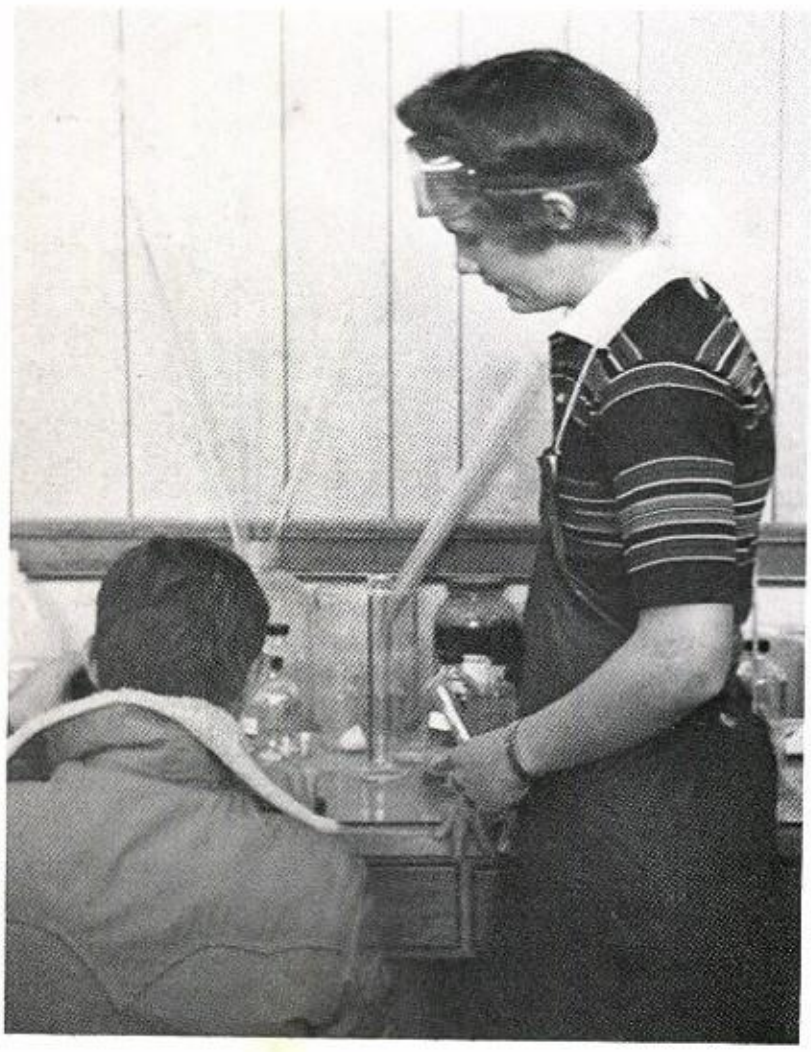
SCIENCE

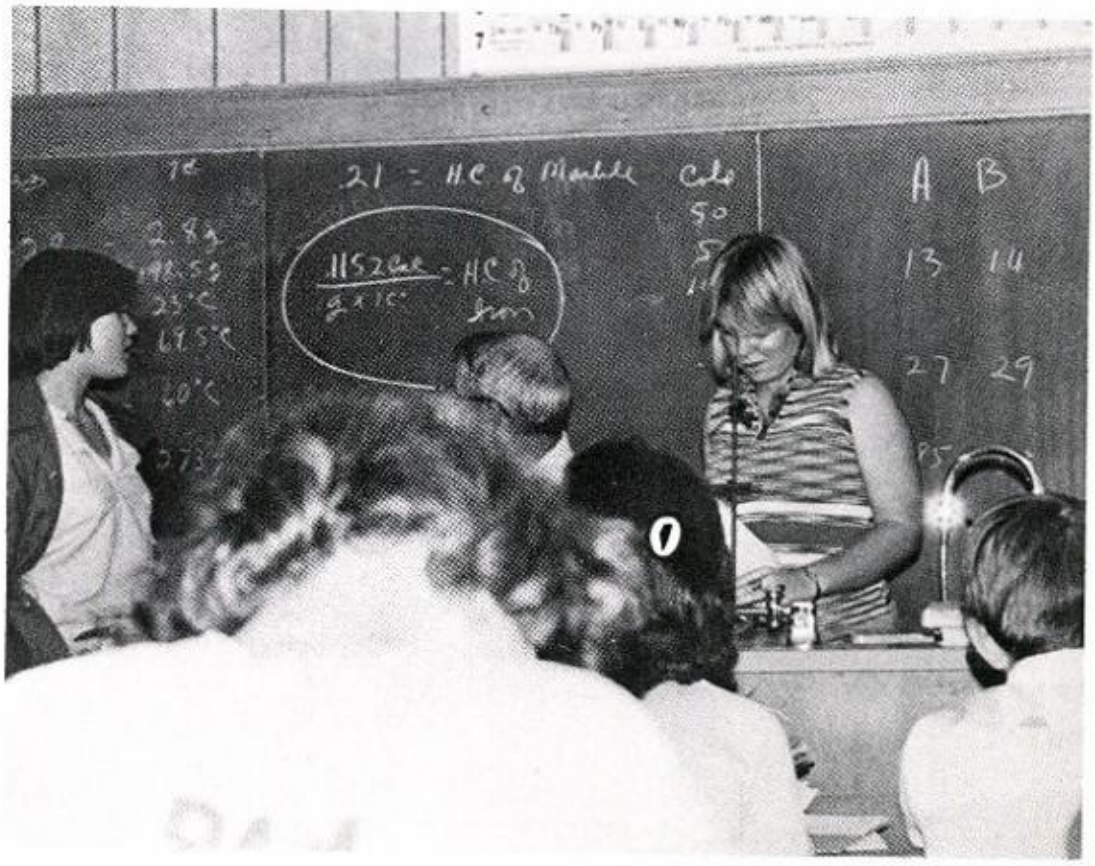
Biology, Physical Science, Chemistry and Physics are the science courses offered in W. H. S. Biology is the study of environment, reproduction, growth and development of living organisms. Students study the many forms of life, from the structure and composition of the cell to the complex organism called man. Chemistry explores the many complex features of the atom and the elements which compose our world. Physical Science is elementary physics to Chemistry.

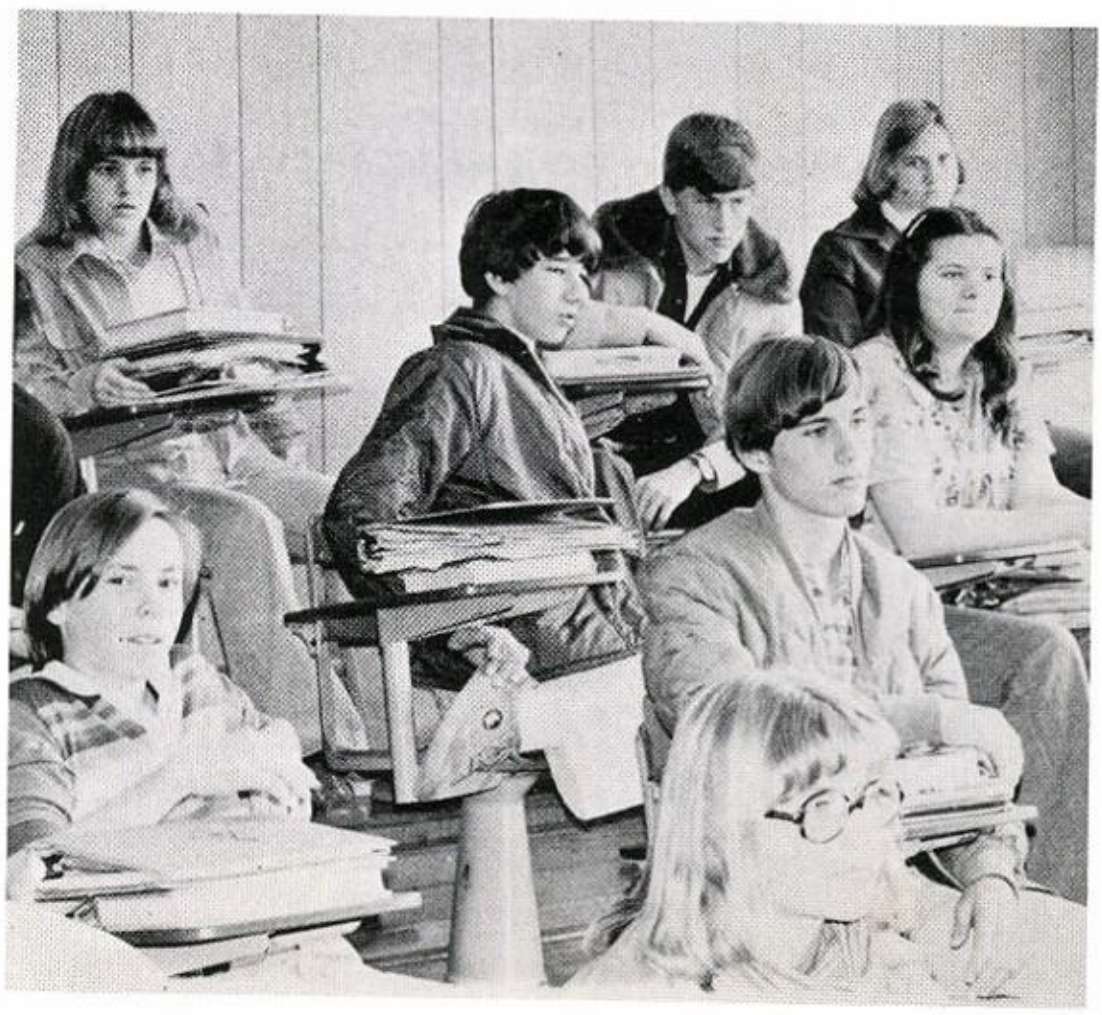
Mrs. Wetsel



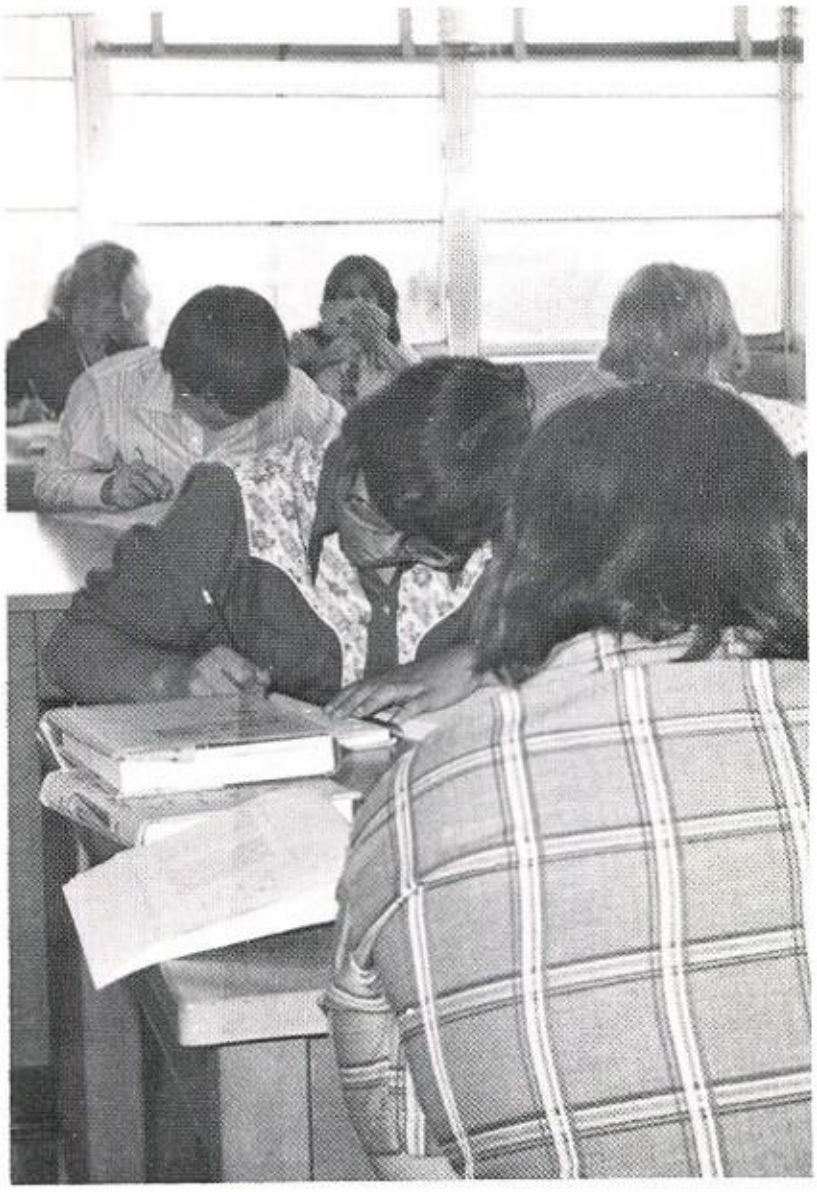
Mr. Poe

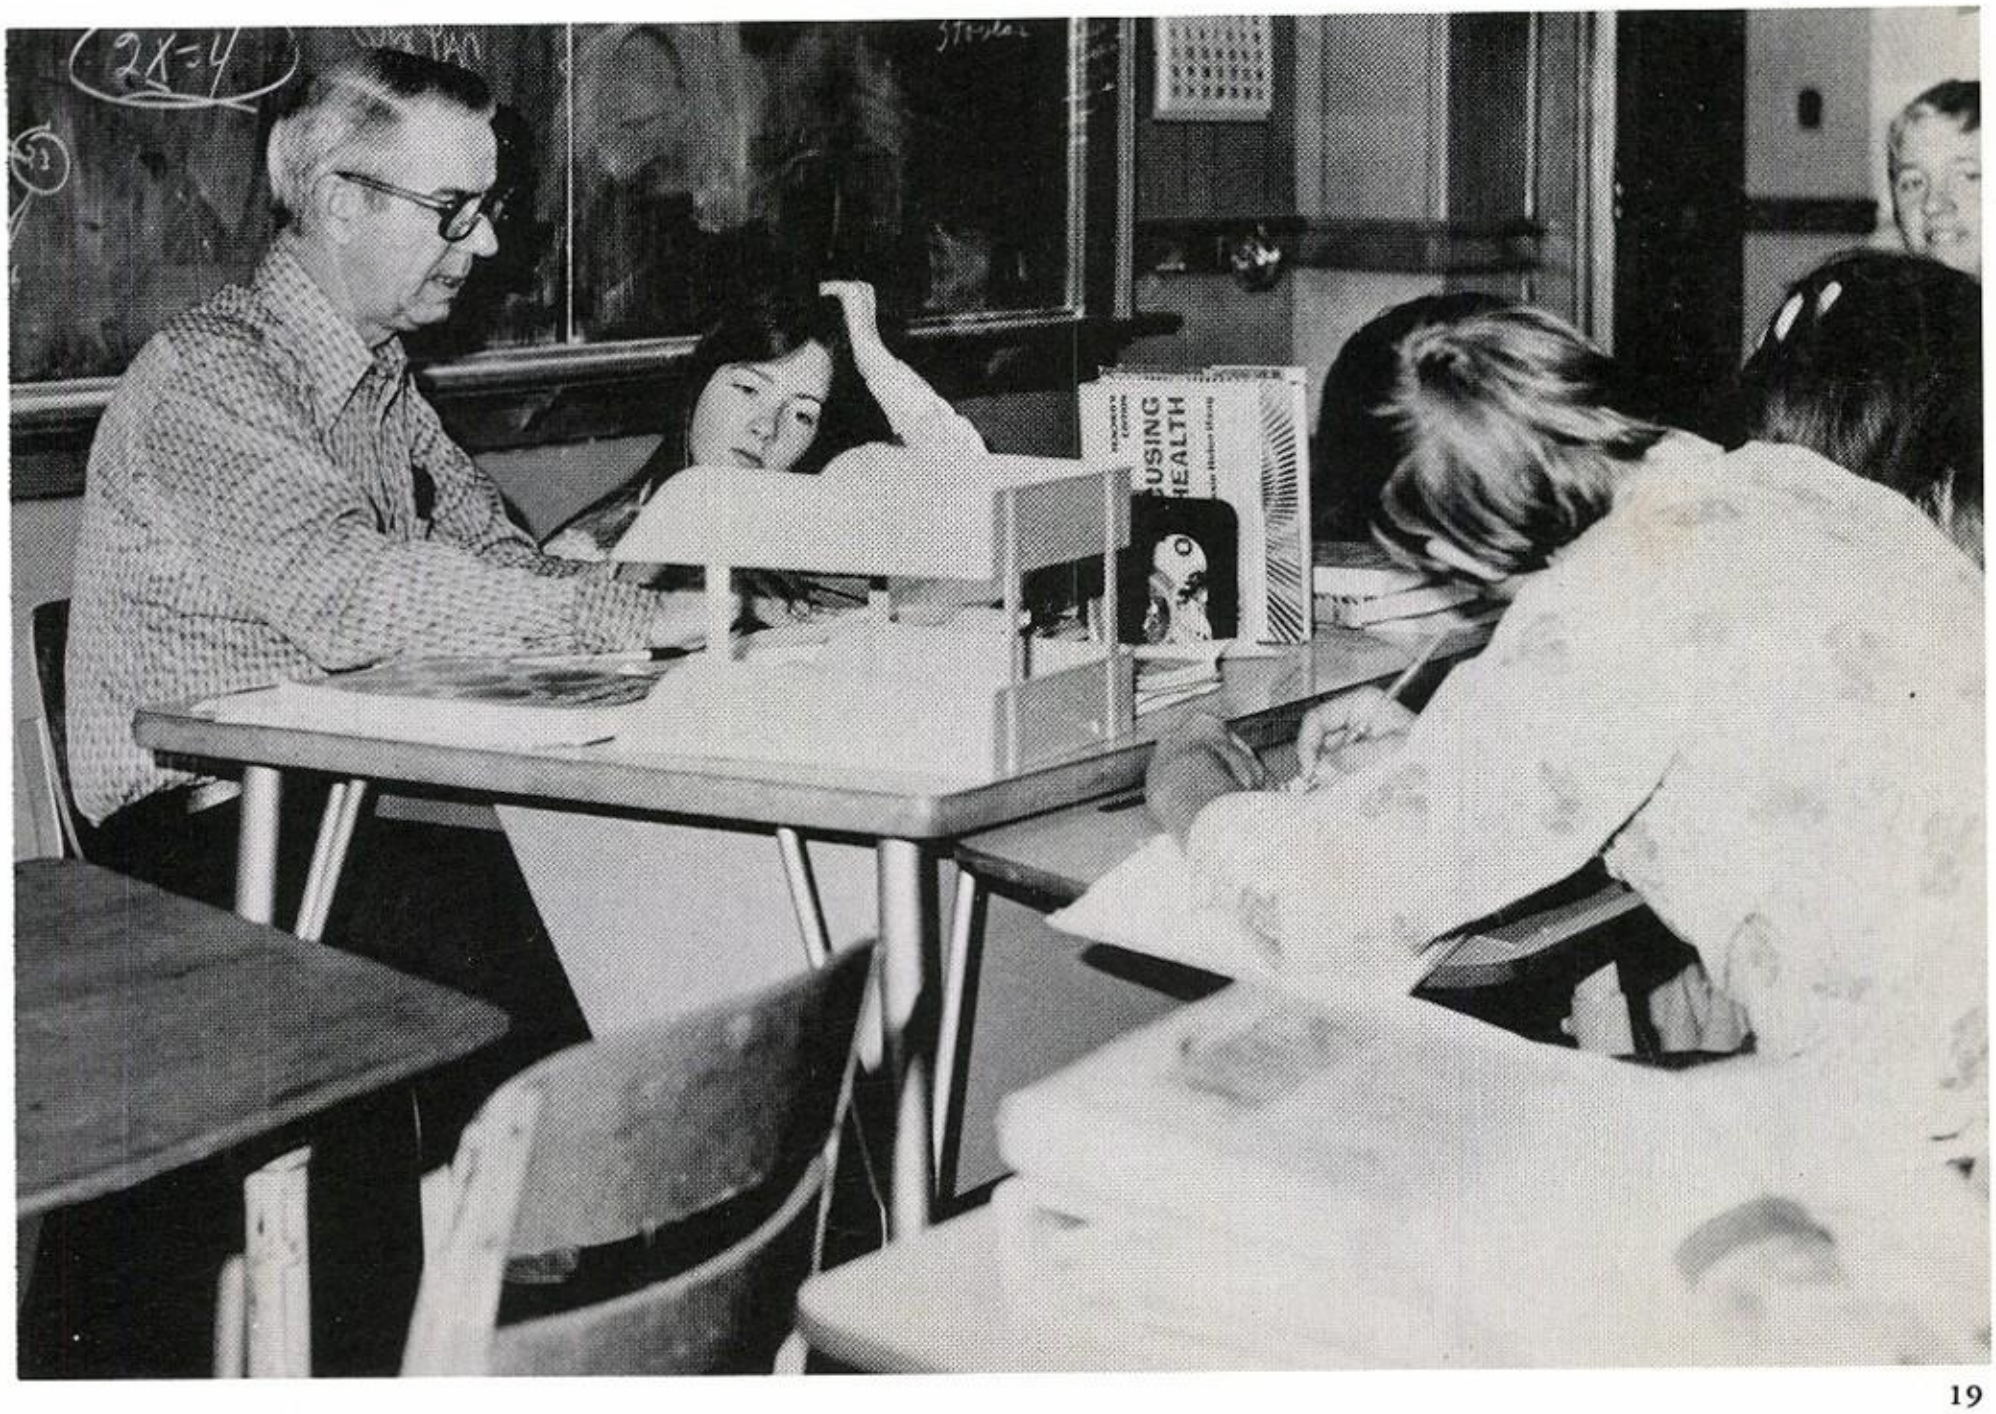






DEPARTMENT

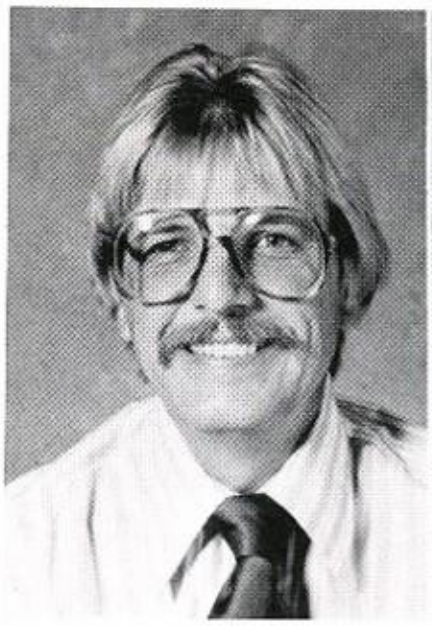




SOCIAL STUDIES

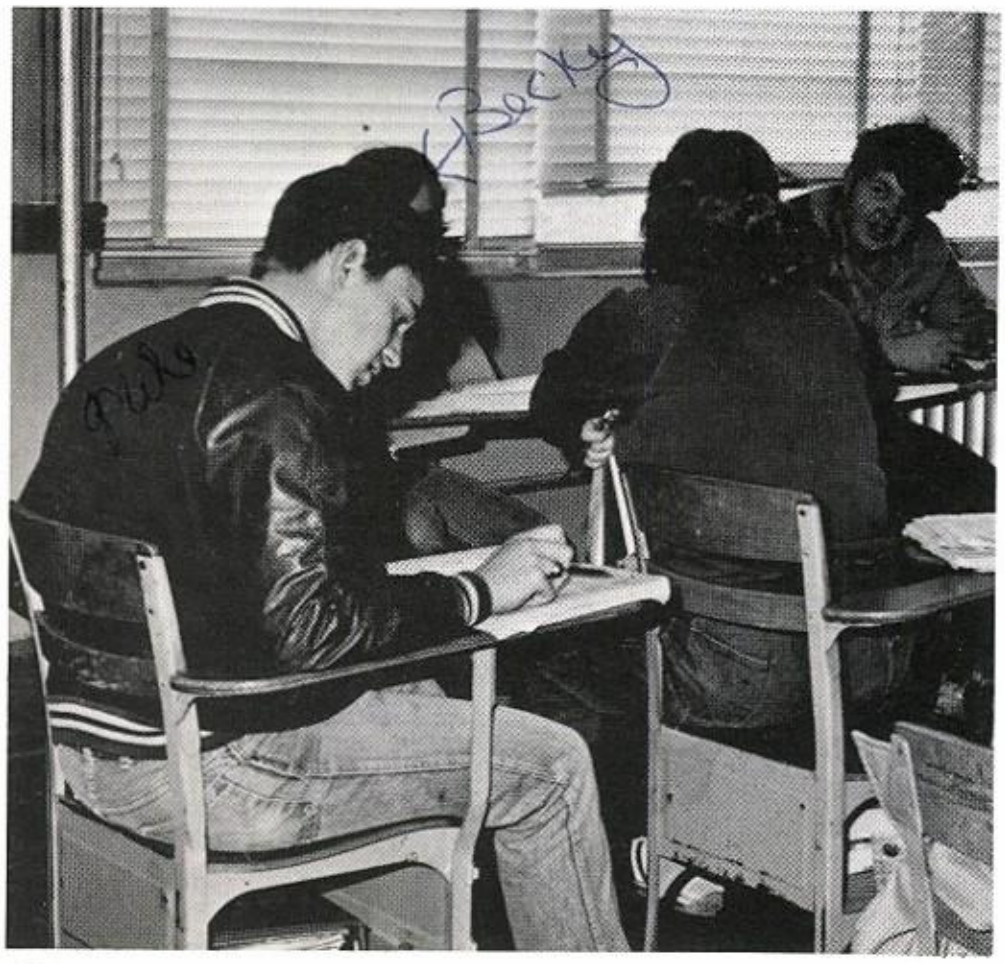
The purpose of our Social Studies Classes is to bring about a better understanding of our American heritages and values from the old world ideas. We attempt to prepare the students with the ability to understand the current laws and democratic process that we live by.

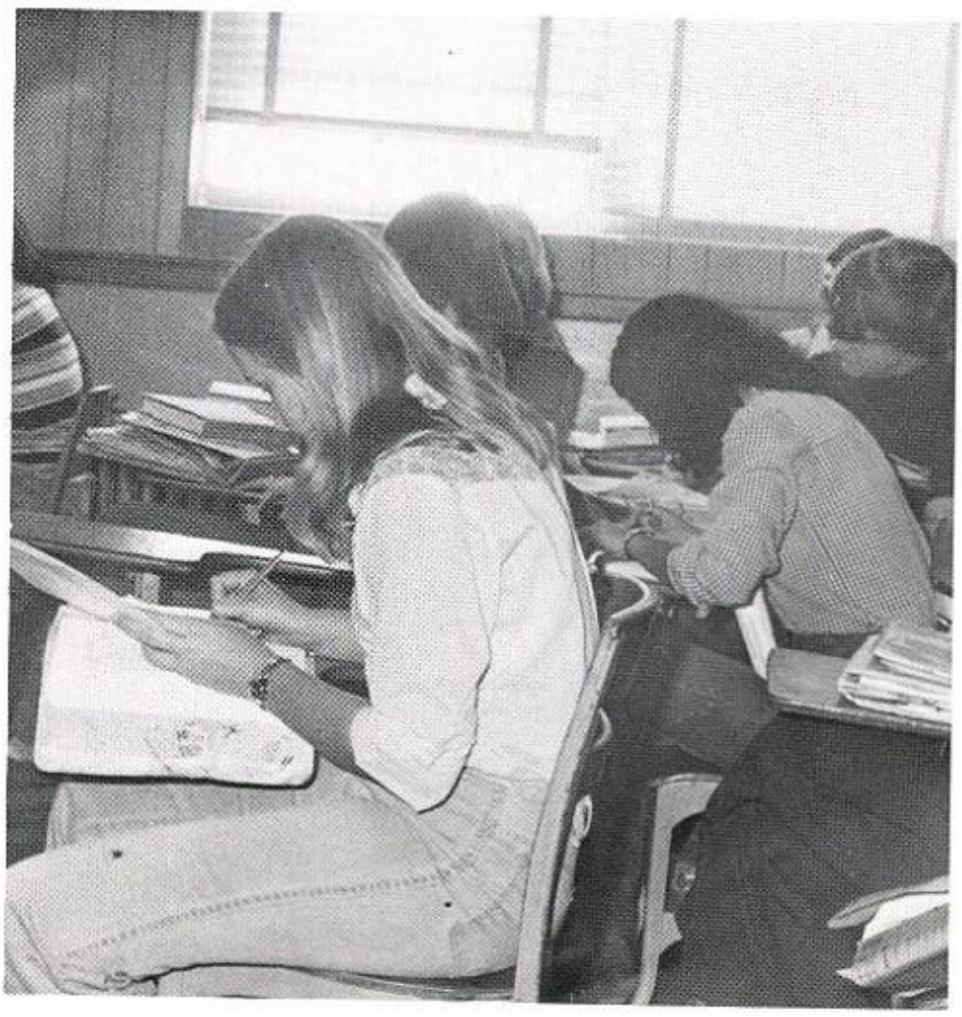
Courses taught in Social Studies are: World History, American History, Texas History, Geography, Sociology, Civics.



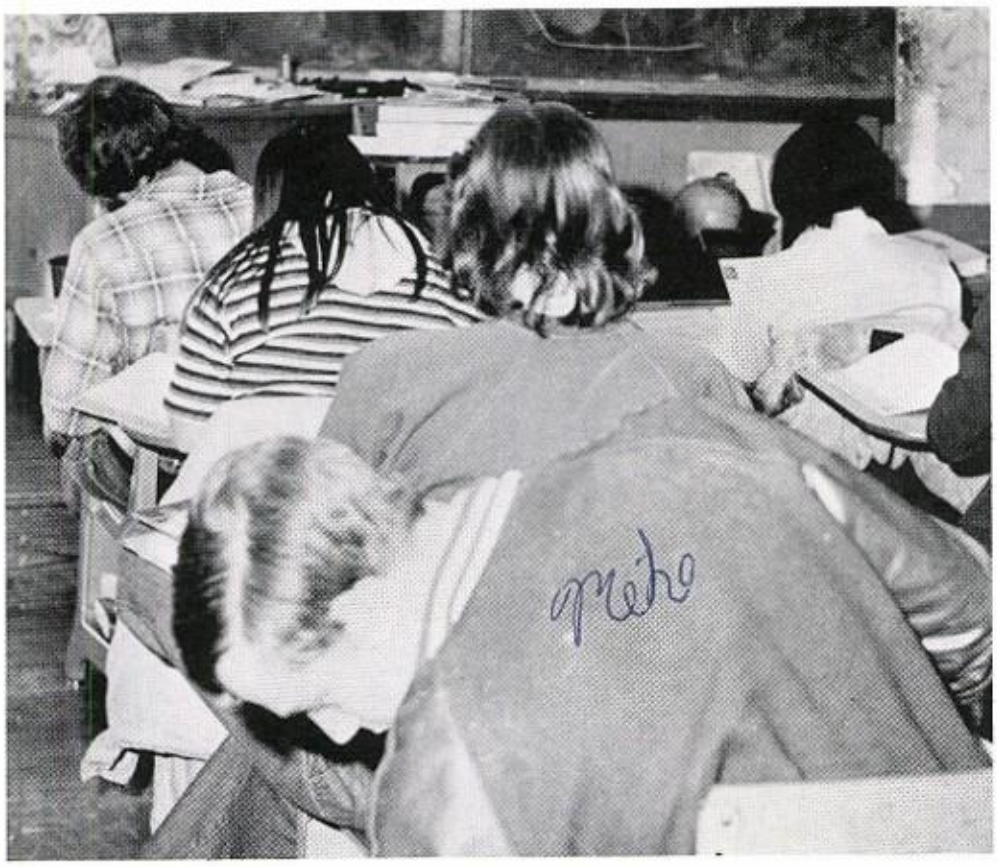
Coach Swenson

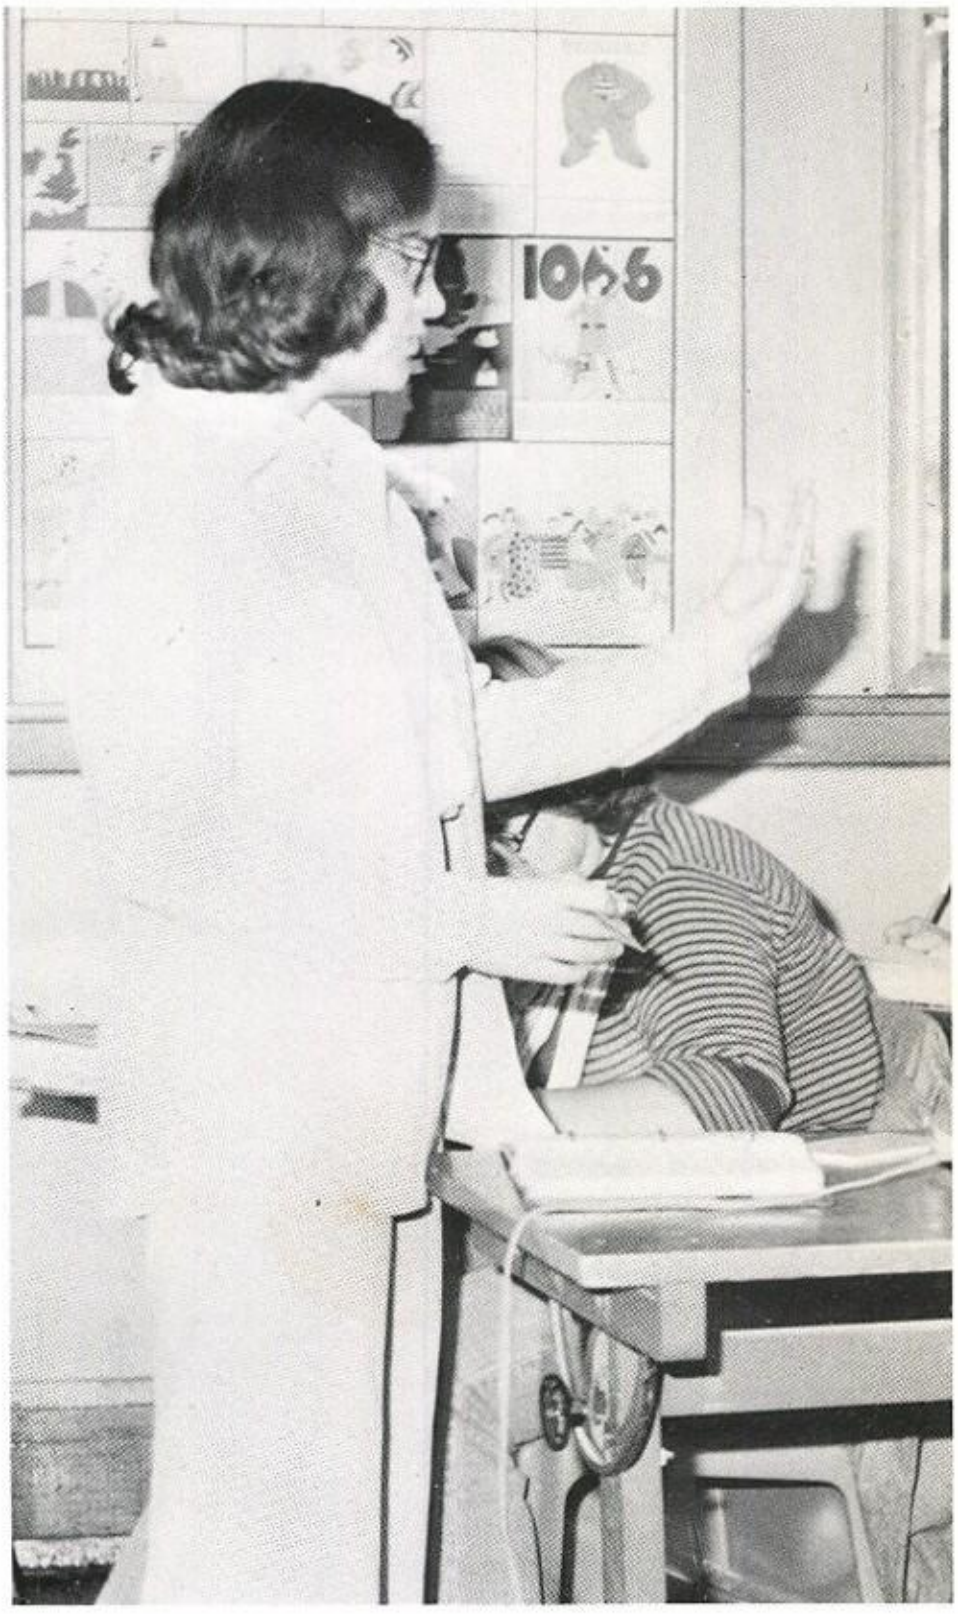
Mrs. Michealis

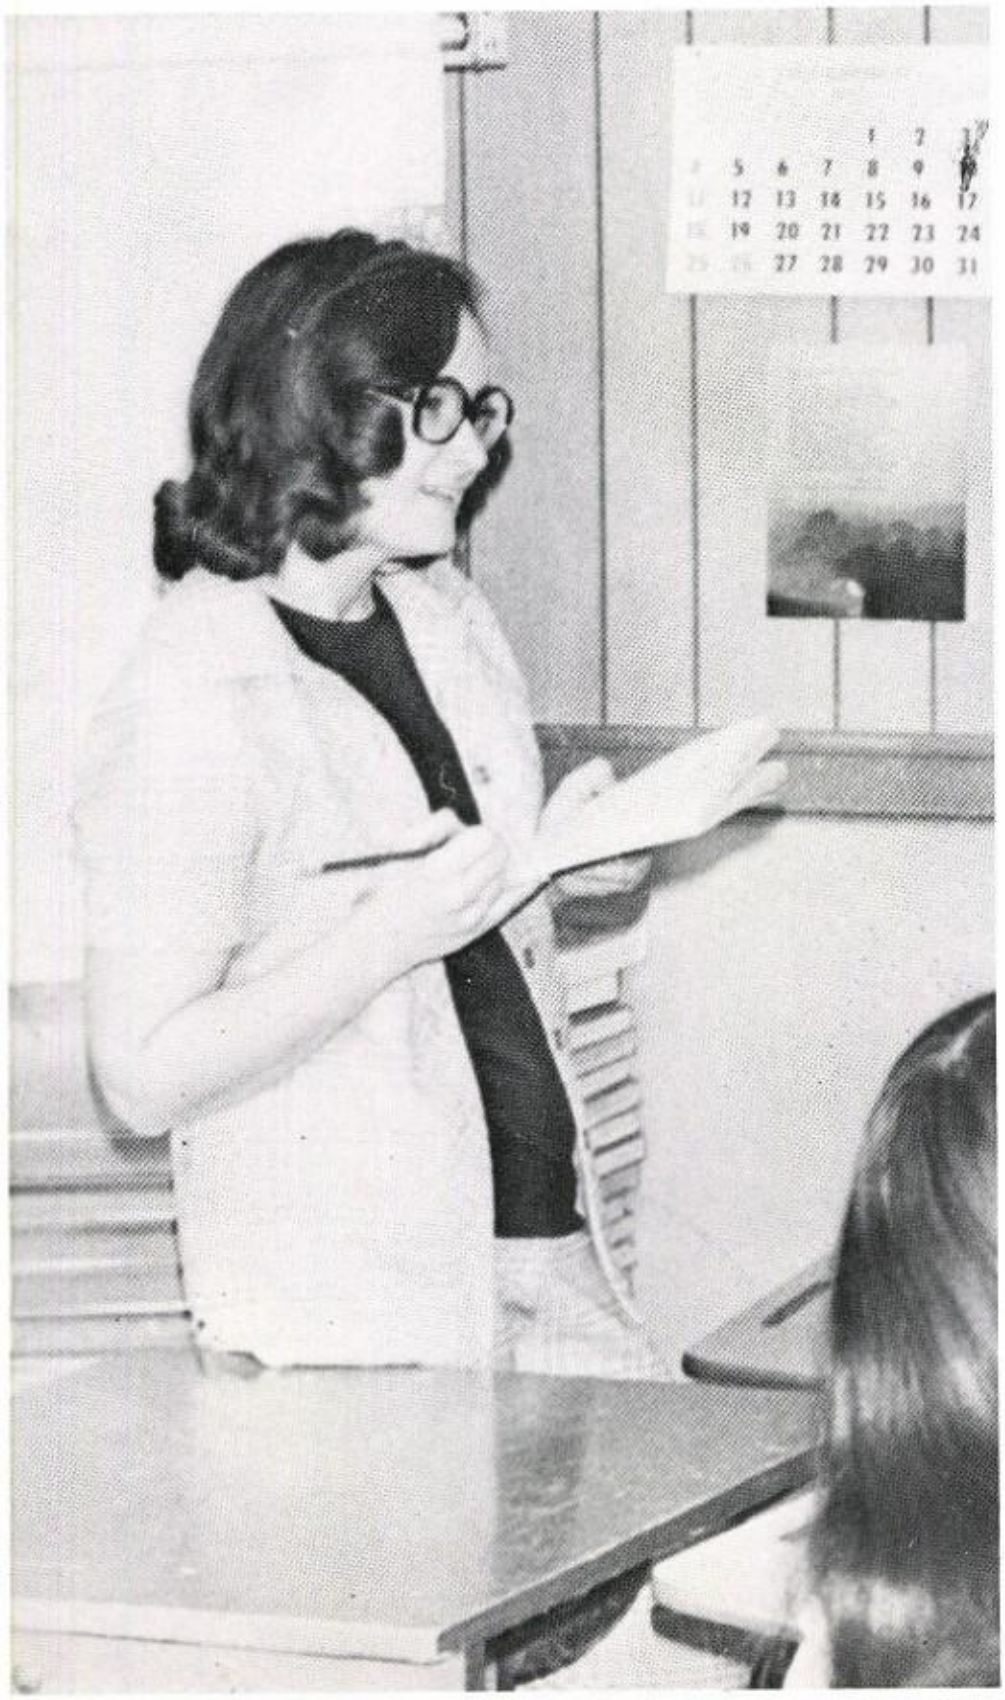




DEPARTMENT



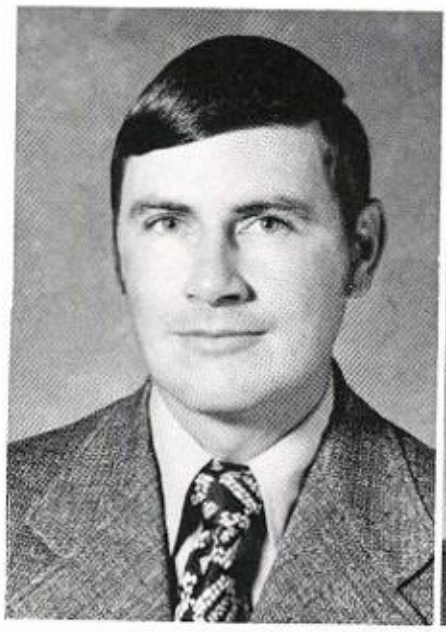




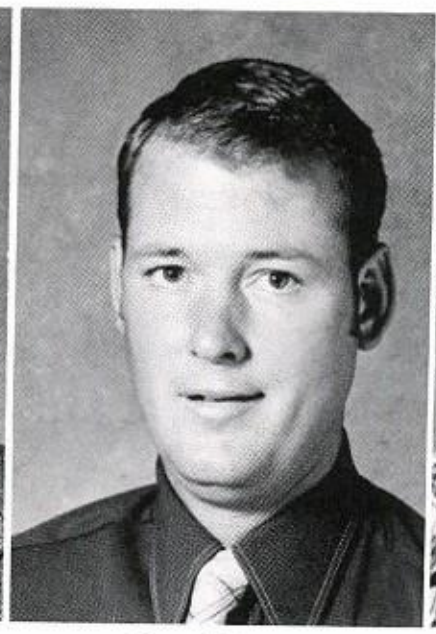
MATH

Students entering High School have several options as to what their math curriculum will be. Those who are college bound usually take Alg. I their 1st year and Geometry their second year. They are encouraged to take Alg. II their 3rd year and Trig. and Advanced Math their senior year.

Those who have trouble with math or are not college bound take Fundamental Math I and II the 1st two years. They are then encouraged to take Alg. I their third year and Geometry when they are Seniors. Only six quarters of math are required for any student to graduate.

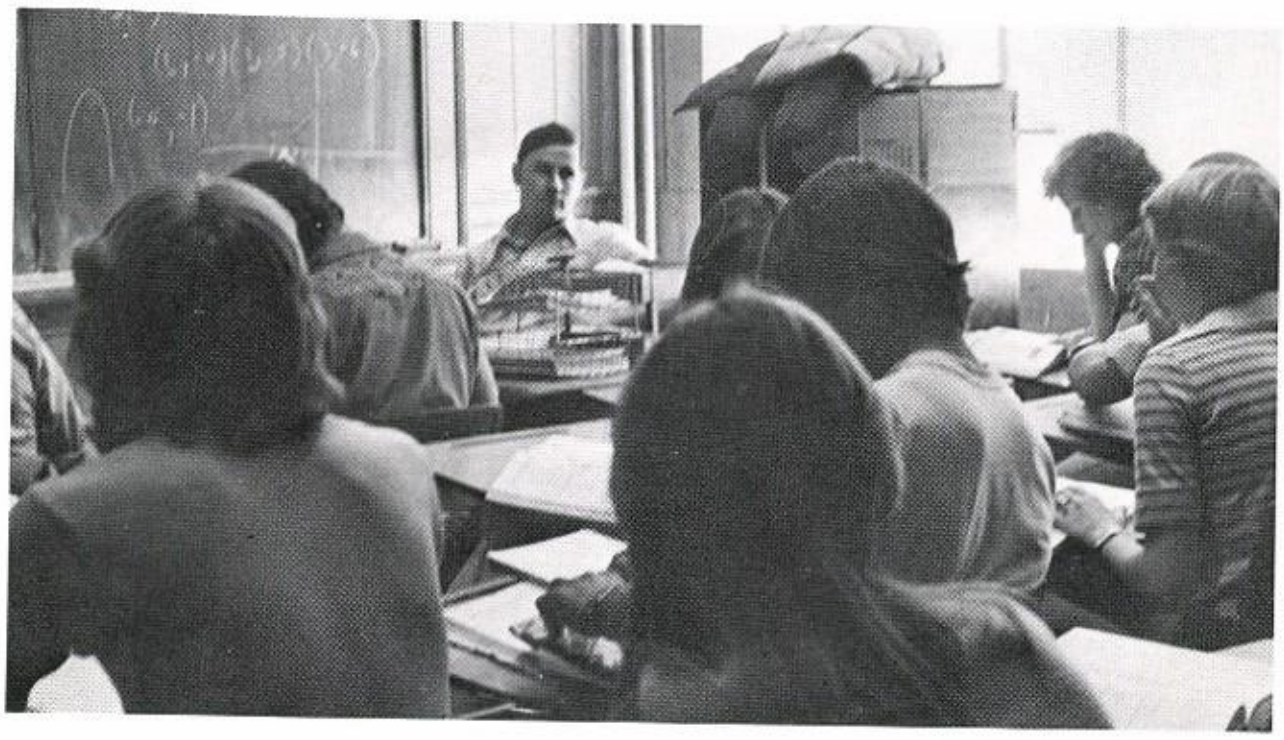


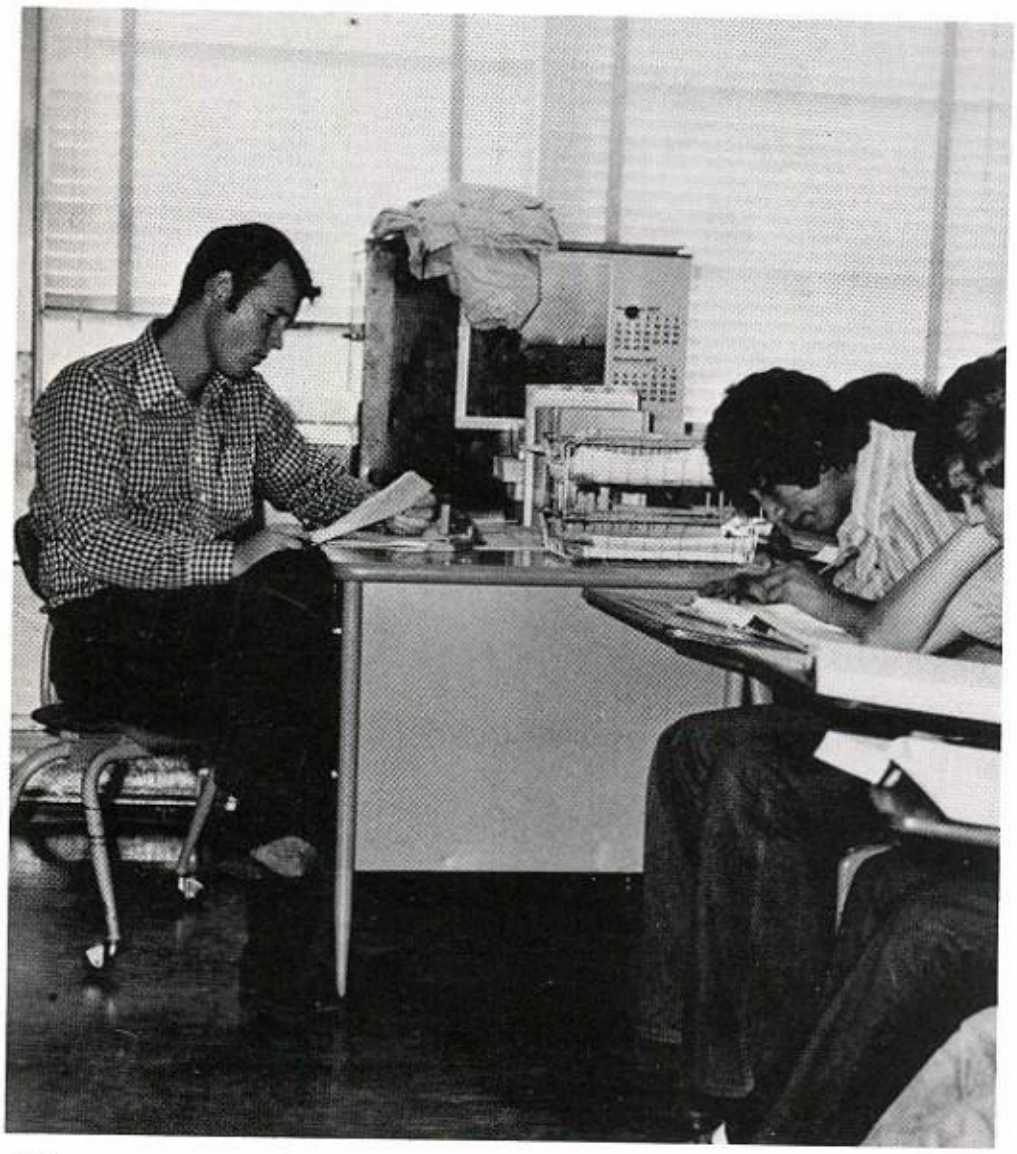
Mr. Jordan

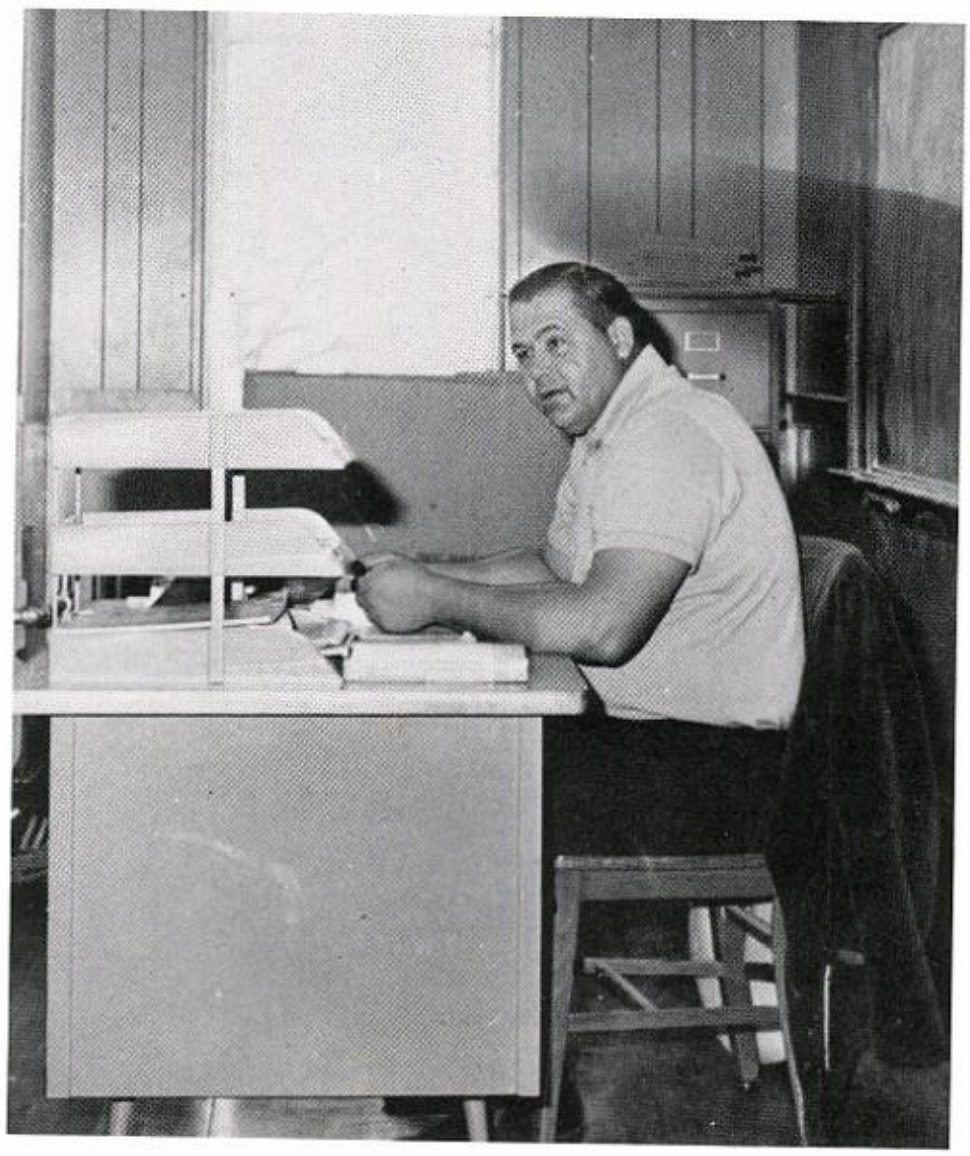


Coach Scott

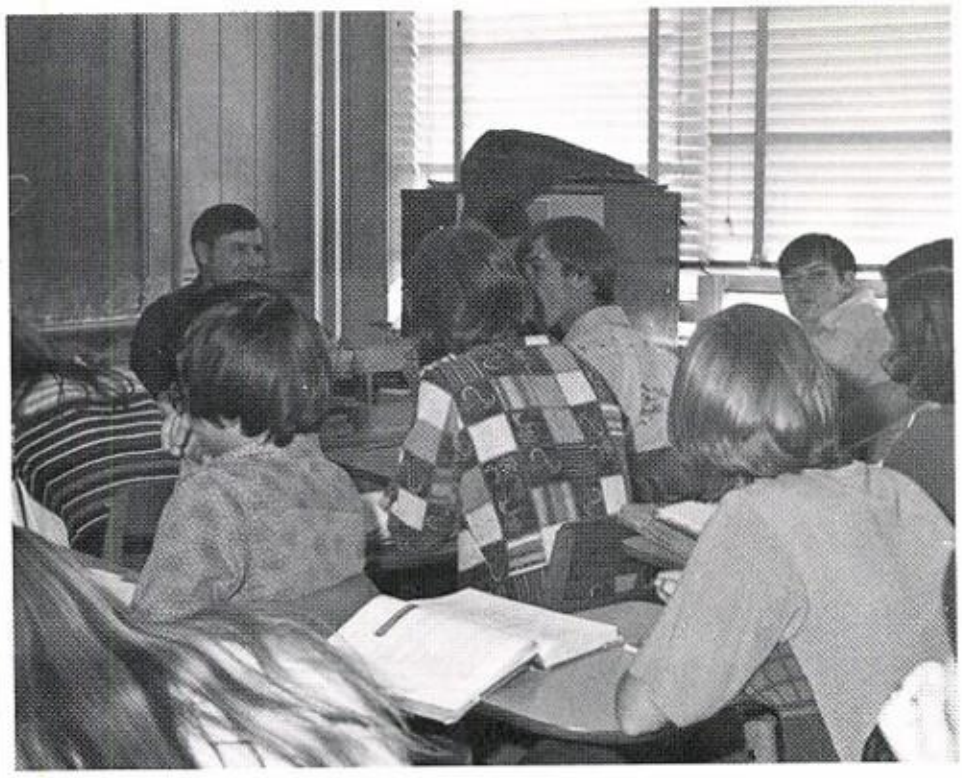
Coach Stubblefield

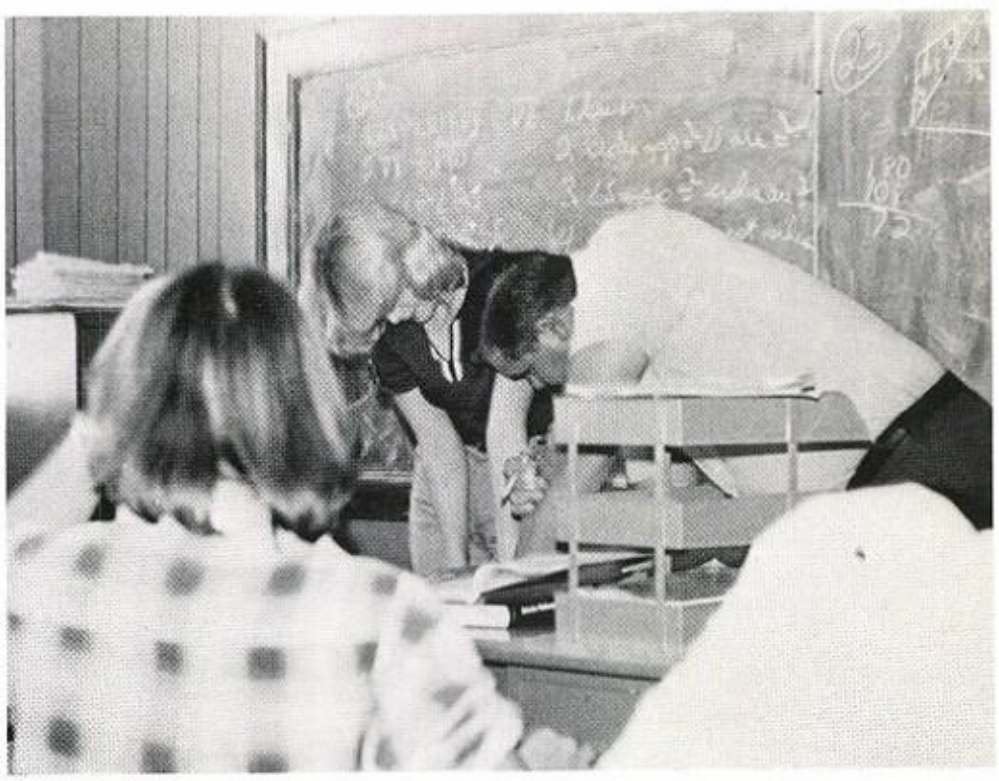


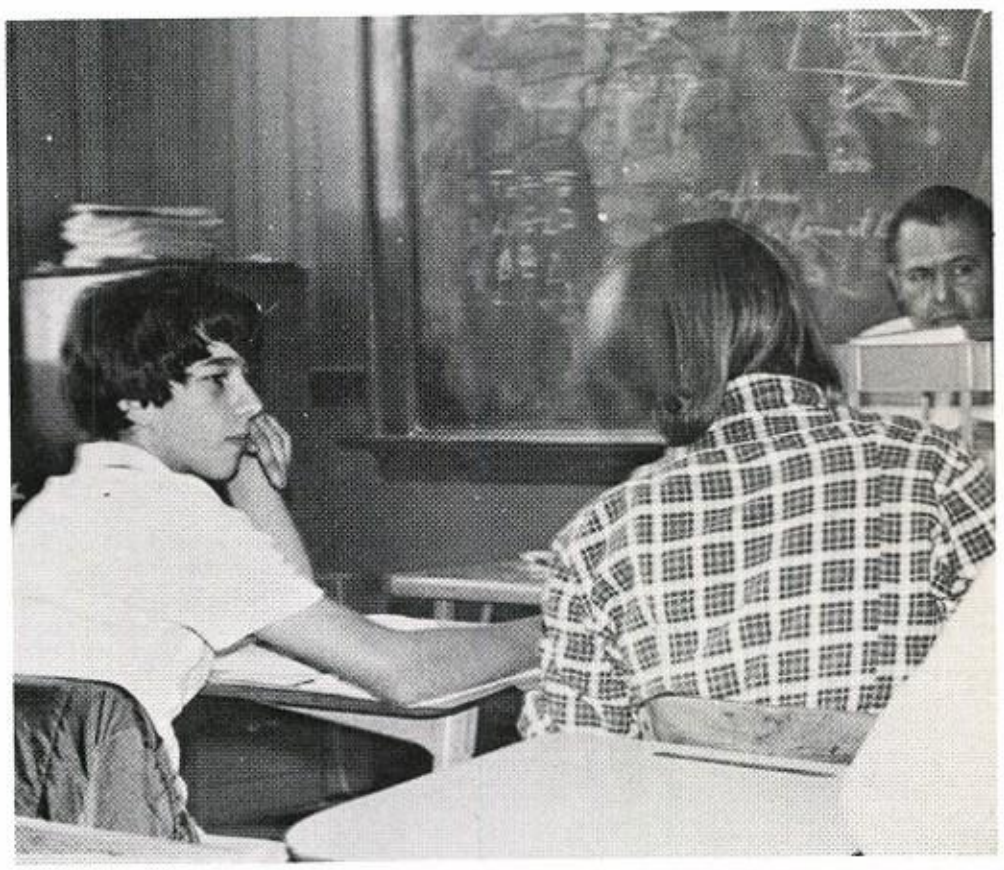


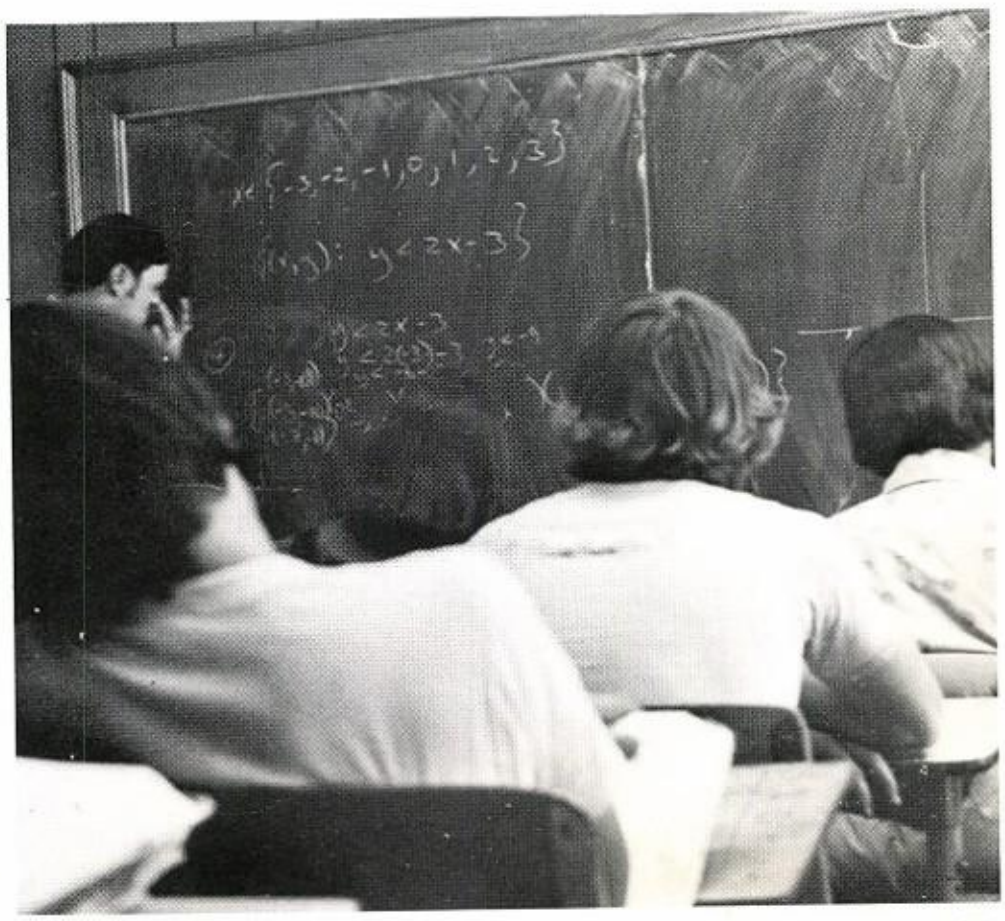


DEPARTMENT







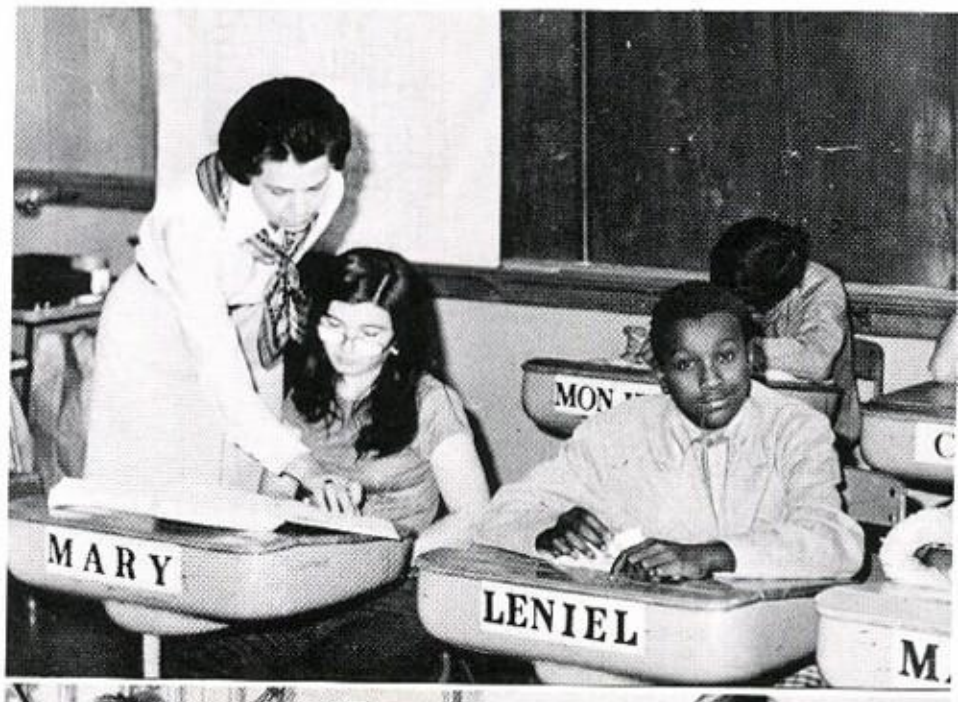


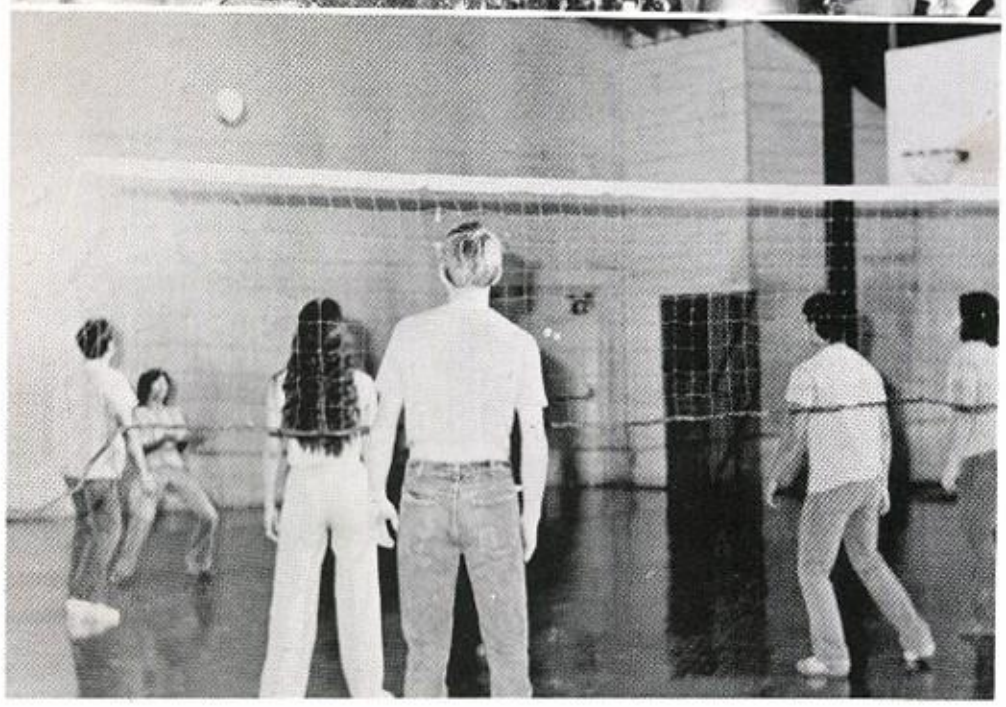
RESOURCES

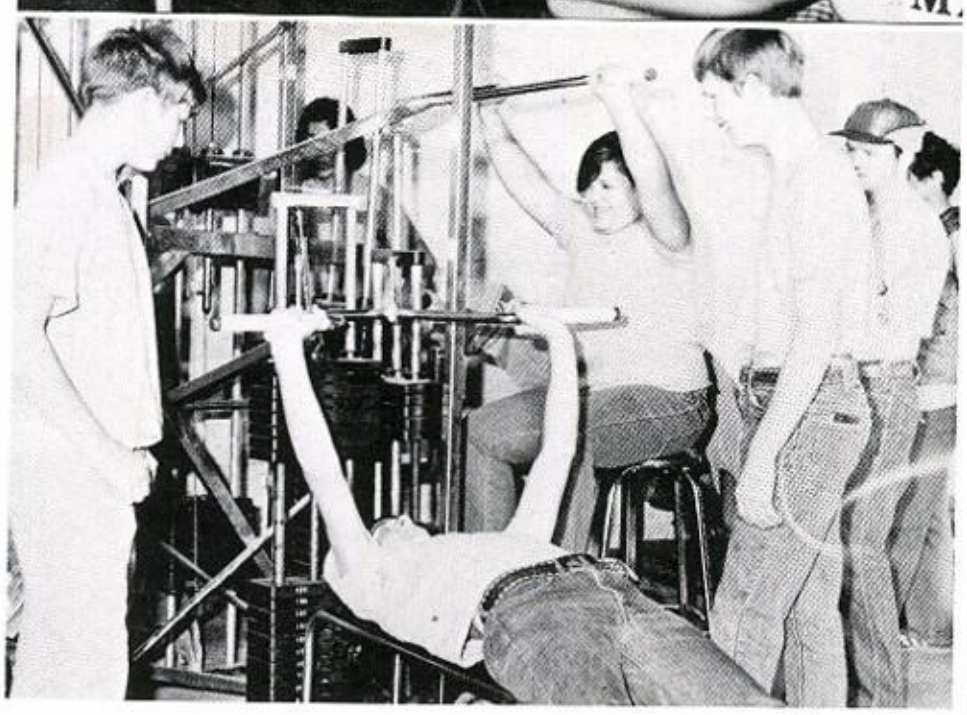
The purpose of the Special Education program is to meet the special needs of students. These special needs are many and varied—each student in this program has different needs and different capabilities. Hence, each student is considered individually to determine his needs and an individual plan is designed for each student.

Some students attend what is called the "resource" unit—this means they attend this program for help in certain subjects with which they are having difficulty. Other students attend the "self-contained" unit—this means they are in the program for all of their work except such subjects as P. E.

Mrs. Hudson







This year in W. H. S. two coeducational P. E. classes were held. Bill Cathey coached the classes. Physicial Education is a course offering students a challenge and an opportunity to further body building.

Coach Cathey

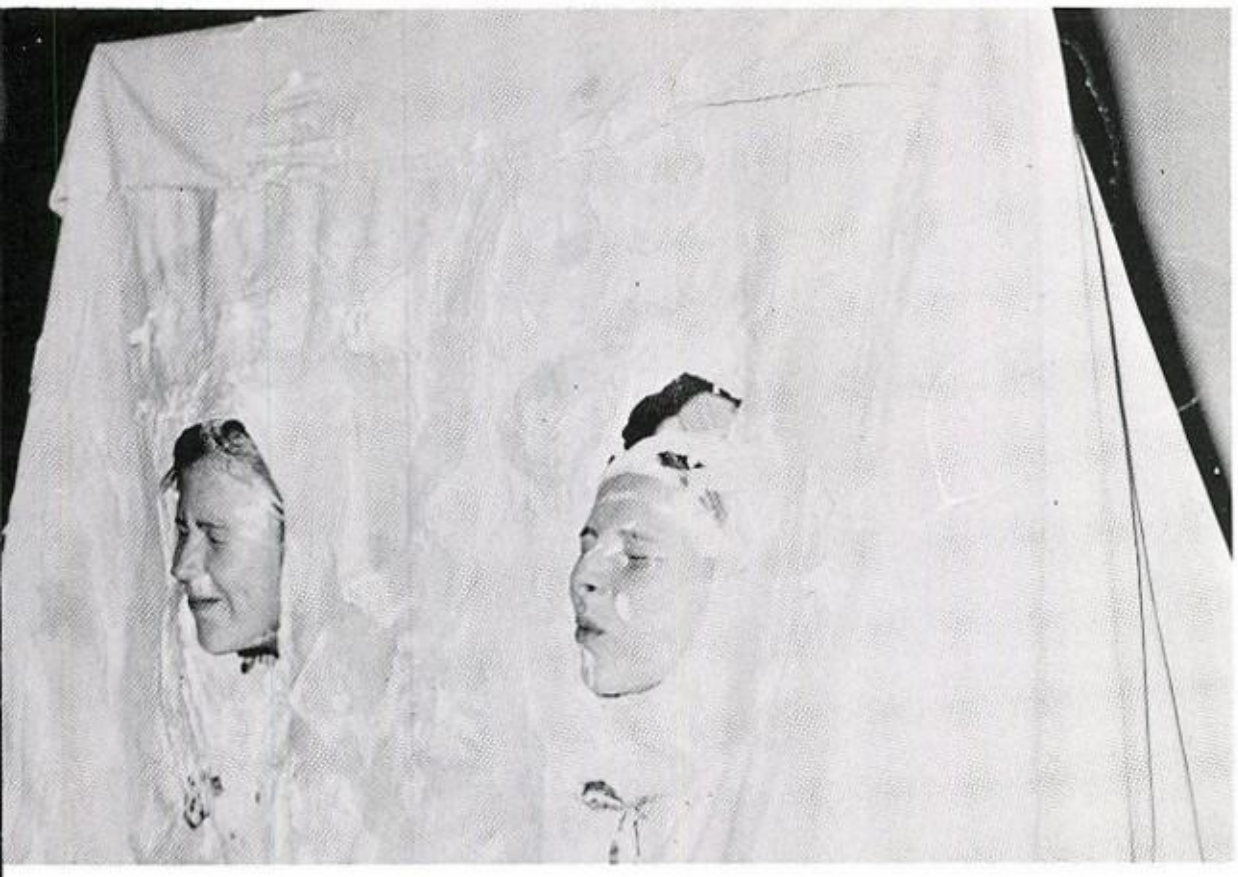
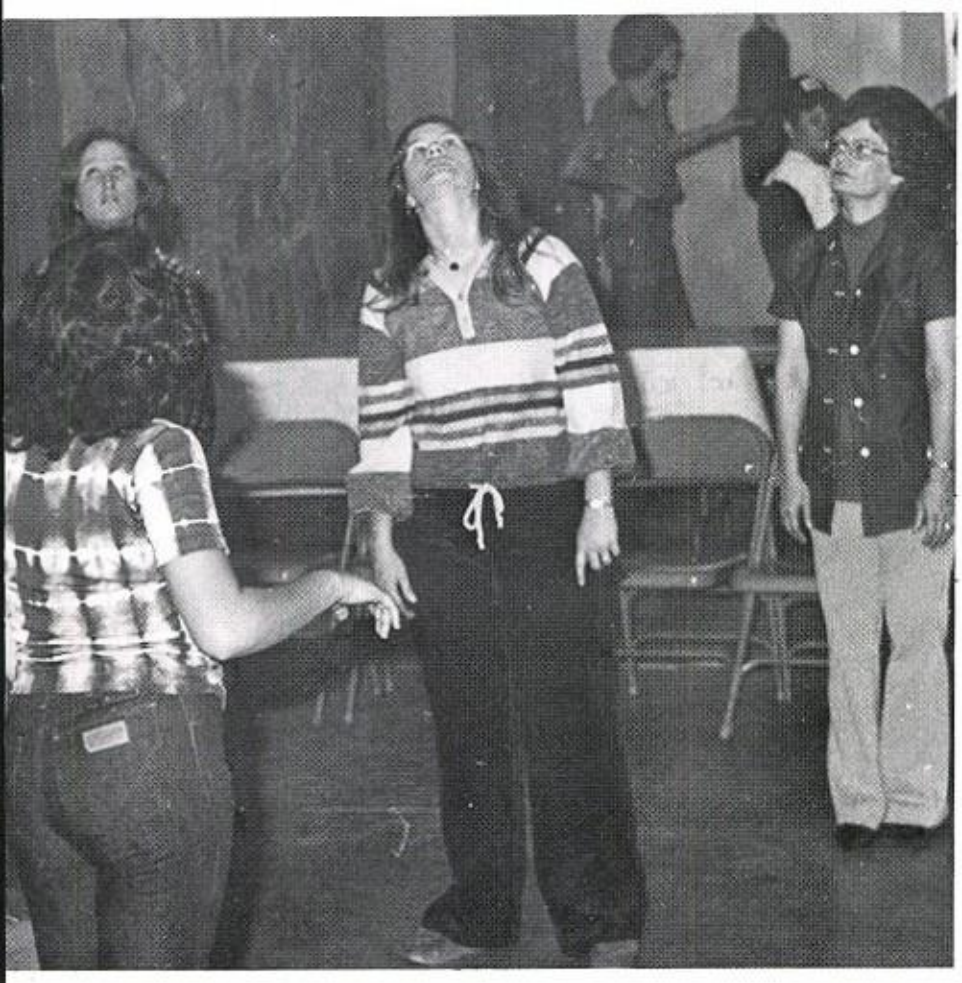
During the summer the Winters Blizzard Band, in an effort to raise money to go to the Sun Bowl parade in El Paso, sponsored a community "Almost Anything Goes" contest. This project turned out to be a great success and also helped the band on their trip.

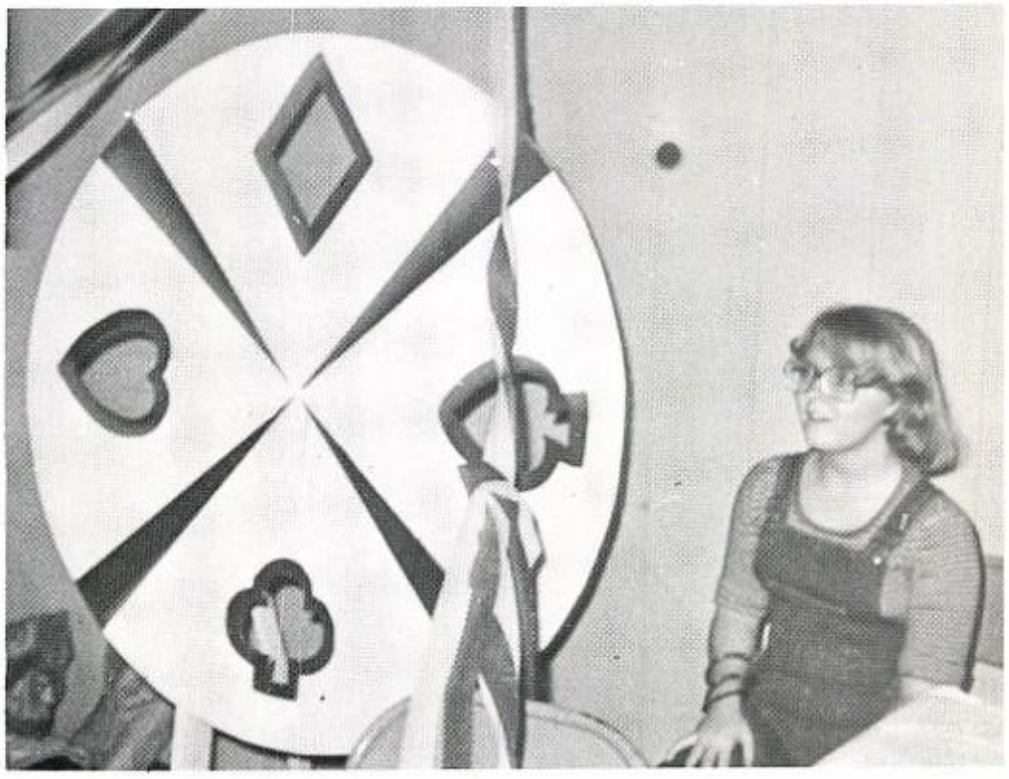
"ALMOST ANYTHING GOES" CONTEST

HALLOWEEN CARNIVAL

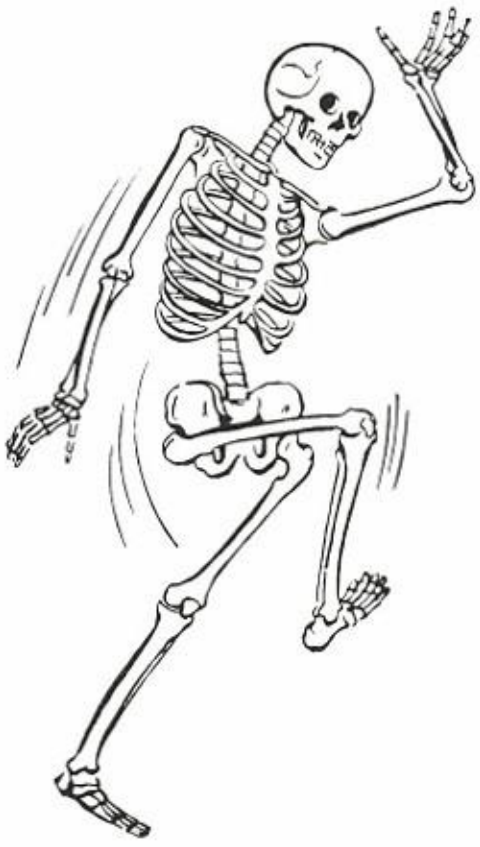


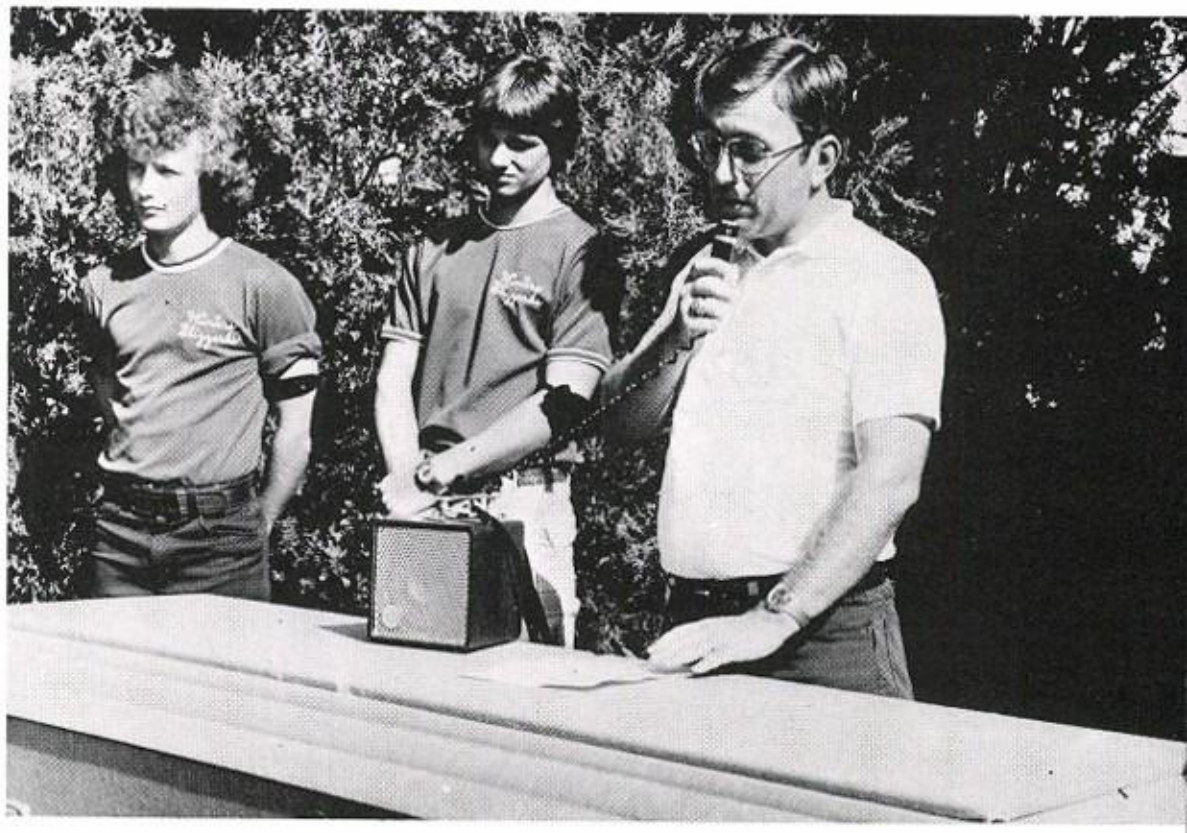
The halloween carnival is an annual event. Many people from the surrounding communities come to enjoy the different booths. These booths are set up by the classes and organizations of the high school and other groups of the community. The Junior class sponsors and directs the carnival every year and makes sure that it runs as smoothly as possible.





SPIRIT FUNERAL

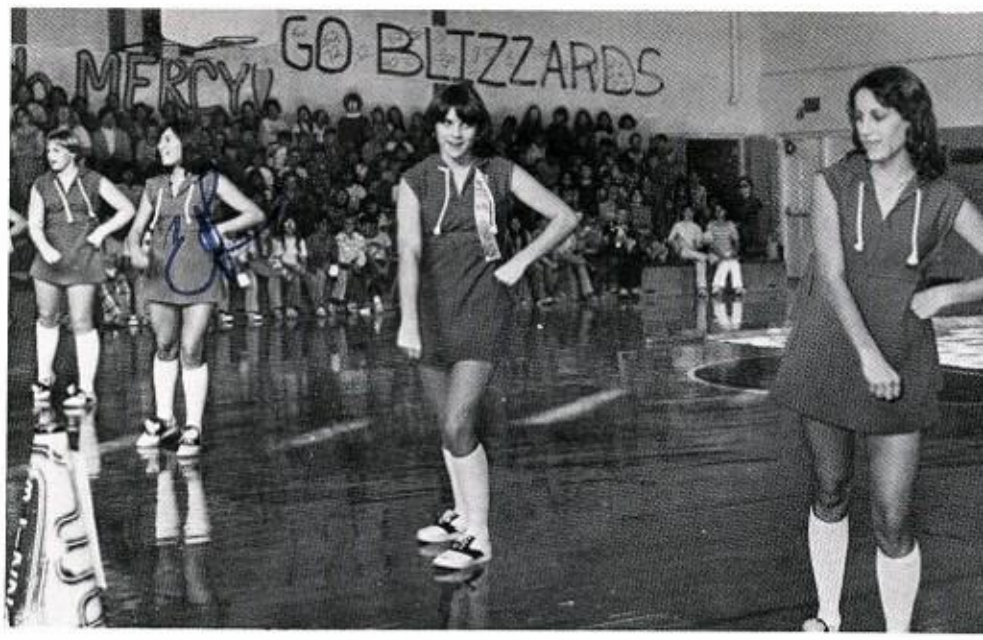




At the beginning of this school year it was pointed out about the lack of spirit held by the W. H. S. students. Early one Friday the W. H. S. student council put to rest a spirit which had long served us. But because of the health attendance and tremendous spirit shown by the student body our spirit was brought back to life at a Pep Rally later that afternoon.

SPORTS

ONES WITH THE MOST SPIRIT



Our High School was lead this year by six girls with ou
standing leadership qualities and tremendous spirit. These gi
covered every concept of school spirit from spirit posters
pep rallies held each Friday.

PRIDE RETURNED TO BLIZZARDS

This year the 1977-78 Blizzard football team consisted of one Freshman, three Sophomores, nine Juniors, and eleven Seniors. All of these team members showed tremendous spirit from the start of two-a-days until the end of the season. With a three win-seven loss record, one would think it to be a terrible season, but consider these team members winners because they represented Winters High School well.

We would like to recognize this years' Senior football players: Billy Calcote, Phillip Colburn, Doug Cooper, Mark DeBerry, Mike Henderson, Jimmy Henson, Paul Hudson, Leroy Jones, Gary Lett, Gary Schwartz, and Kenneth Tankersly.

1

1. Mighty they were as they took to the field each Friday night.
2. "Sock it to 'em" day was one of many spirit activities held this season.

Richard,
So a very crazy but nice guy. I hope you liked your sr. year because you won't have another chance to take it over again. I hope we stay friends for a long time after you're gone out of W.H.S. Please remember me as I struggle through my last 2 years of school. I hope things come your way in life. Good luck in the future & God Bless you. Stay cool & stay out of trouble (if possible.
